

**EVERGREEN CEMETERY
PARK CITY, KY
CEMETERY RULES**

All grave spaces (lots) are cash sale only, and payment must be received prior to interment.

ONLY one interment, traditional and/or cremation, is allowed per grave space.

All interments require an outer container of a non deteriorating material such as, concrete, steel, or fiberglass.

A member of the Cemetery Commission must be contacted prior to the opening or purchase of a grave space by the funeral director, or a member of the family.

A member of the Cemetery Commission must mark all grave spaces to be opened, and all monument footers.

The City of Park City, Cemetery Commission, has a contract agreement for all opening – closing of grave spaces in the Evergreen Cemetery.

All flowers are required to be placed on monuments. Flower saddles, vases or urns may be utilized on monuments. Shepherd rods may be used if placed next to the monument. Exceptions are allowed for Memorial Day only.

Any items found not on the monument may be removed at the City's discretion.

No flowers, or living growing plant, shrub, vine, myrtle, or tree are allowed on or around any grave or marker.

All mausoleums must be approved prior to erection by the Cemetery Commission.

No benches, statues, or any other permanent fixture, other than a monument, tombstone, and gravestone marker may be erected in the Evergreen Cemetery.

All monument footers must be marked by a Cemetery Commissioner.

All footstones or foot markers must be at ground level.

Single grave space monument bases shall not exceed 42 inches in length.

Double grave space monument bases shall not exceed 84 inches in length.

If you have any questions or need assistance, please notify a cemetery commissioner or City Hall.
