Dear Larry,

As the Chair of the San Pedro Urban Greening Advisory Committee (UGAC), I would like to inform you that we endorse the proposed San Pedro Urban Greening Implementation Plan. As such we will be working within our respective organizations to continue to support the development of the opportunities documented in the plan. I also expect that myself and other members of UGAC will be requesting Councilman Buscaino, Supervisor Hahn, and Assembly Member O'Donnell to urge the City, County and State and their respective Departments to facilitate the implementation of these opportunities.

Thank you for all your hard work on this plan. We look forward to working with you on its implementation.

Sincerely,
