DONNA FRENCH

PEOPLE, NOT POLITICS!

I supported the 'Framfield Road says NO' campaign opposing the major Bird-in Eye development and I attended the planning appeal.

I will oppose any widening of the Uckfield by-pass that would affect ancient habitats and waterways and impact residents of West Park, the Nature Reserve and Lake Wood.

I will continue to work with residents of The Ridings Estate to solve the appalling problem of the flies coming from the Water Treatment Works.

I started a petition and campaigned with fellow Councillors and residents to help secure the future of our Leisure Centre.

I worked alongside fellow Councillors to Save Downland's Farm from development and attended the planning appeal.

Please place this flyer in your window to show your support and please spare a few minutes on 4 April to vote for me as your Independent Councillor for Wealden District Council.

I have been an Independent Town Councillor since 2015 and am serving my 3rd year as Deputy Mayor.

No deep pockets, no party management team, but a huge passion for our Town. I WILL knock on as many doors as possible and meet as many of you as I can.
