

# ABOUT CORNELIE & GREG

Cornelie was in publishing before returning to study and eventually retired as Professor of History. Her students taught her to listen carefully to their problems. She heard your concerns: overdevelopment, more pavements or cycle routes; lasting potholes repairs. Young people need better facilities and the less affluent more help with the rising cost of living.

Greg had a 'portfolio career'; civil servant and local government officer, IT Operations Director, Charity Fundraiser, IT Programme Director and IT consultant. As a councillor Greg will speak up for both local people and the local environment, giving them a real voice at Wealden. He knows how to get things done.

## IT'S BETWEEN CORNELIE & GREG OR THE CONSERVATIVES HERE:

### YOUR CHOICE AT THE COUNCIL ELECTION:

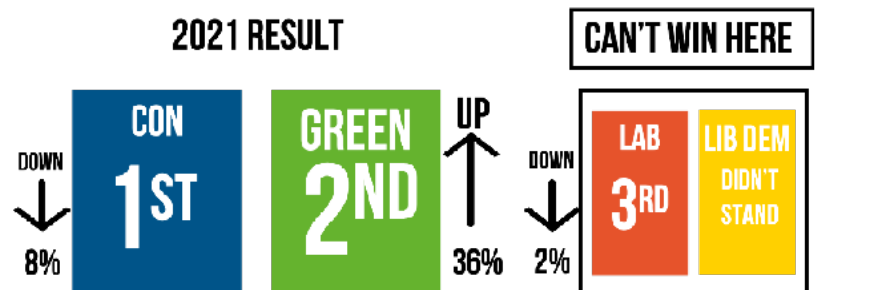

<p>TWO MORE CON COUNCILLORS</p> <p>TOLD HOW TO VOTE AND WHAT TO SAY BY THEIR PARTY</p>	OR	<p>GREG AND CORNELIE</p> <p>FREE TO SPEAK UP FOR HORAM &amp; PUNNETTS TOWN</p>
--	----	--

### YOU DECIDE:

1. Which candidates will campaign tirelessly to preserve green spaces, to stop overdevelopment?
2. Which candidates are free to speak up in the interests of our area, rather than being told how to vote by their party?
3. Which candidates can best hold a Conservative District Council to account?

The answer is clear. **Locals Cornelie Usborne and Greg Collins will be strong independent voices, able to speak up for Horam & Punnetts Town ward.**

### IT'S SO CLOSE BETWEEN GREENS AND THE CONS HERE

# CORNELIE & GREG: WORKING HARD TO CONSERVE AND IMPROVE OUR WAY OF LIFE

Geoff Aucock: Greg will make an excellent councillor who will put the concerns of local people front and centre.

## PUNNETTS TOWN

Margaret Harding: Cornelie & Greg will be safeguarding our countryside from depletion of trees and wildlife.

## WE ARE KEEN TO JOIN THE GREEN TEAM

"If Cornelie and Greg are elected, they will be joining the team of Green councillors who have changed the conversation on Wealden District Council."

## THE DIFFERENCE THE GREENS ARE MAKING:

Over the last four years, a small (and growing!) **Green opposition has made a huge difference** at Wealden District Council. **We have steered the direction of travel by:**

- **challenging the Council to declare a Climate Emergency in 2019**, which has led to more environmental protection and carbon-saving policies;
- **changing the conversation around overdevelopment**, insisting that the Council started listening to unhappy residents and speaking out against arbitrary Government housing targets;
- **putting raw sewage river pollution firmly onto Council and planning agendas with our motion in 2022**; and
- **showing how we can work together with unprecedented cross-party collaboration.**

With more Greens at Council we can bring about more effective change, protecting our countryside and serving our communities.

**Help us make Wealden a Greener, fairer place for all.**

Roger Stevenson: Greg works with Sustrans and knows that Potholes and dodgy drains are especially dangerous for cyclists – hence he regularly alerts the Council.

## CADE STREET

Tim Fox, Cornelie and Lucy Ataby canvassing in Vines Cross

Mary Stevenson: Cornelie works hard to stop unwanted and unnecessary buildings on green field sites, to save our trees and biodiversity.

## VINES CROSS

Mike Bold: I am fighting the man-made collapse of biological and ecological systems of life on earth; so I'm happy to canvass on behalf of Greg and Cornelie.

Chris and Nancy Rowland: Please help us stop any more large developments in Chiddingly Road!

Katy McCarthy: Please help stop the speeding past the community school and provide safe parking for the school run.

## MAYNARDS GREEN

## HORAM

Mel de Bruin: There are no pavements outside our garden centre in Little London Road!
