TRAIN THE TRAINER

Research

- Define your audience needs.
- Test your assumptions and create a problem-centric message.

Creation of Workshops

- Master the art of balancing theory and practice.
- Use AI and interactive exercises to elevate your content.
- Gain insights into tools and techniques to keep participants engaged.

Workshop Delivery

- Navigate live sessions with confidence.
- Collect feedback to continually improve your workshops.

type: learning journey

length: 36 hours

participants: all levels

ORGANISATIONAL DESIGN

Design organization that is resilient and can reinvent itself when needed (crisis, market change, new trends...)

- What is the unFIX model, and how do you apply the unFIX patterns to your unique environment without the need to start a huge reorganization
- How to design flexible organizational or team structures and be ready for continuous improvement and adaptation to AI
- How to repurpose management and gain speed in decision-making
- How to help humans to be more resilient to unpredictability and self-organization
- How to create an organization that goes beyond the Product and Customer
- Experience and becomes a workplace where people grow and flourish
- Why is it important to build your own method and not to copy existing frameworks

[More info](#)

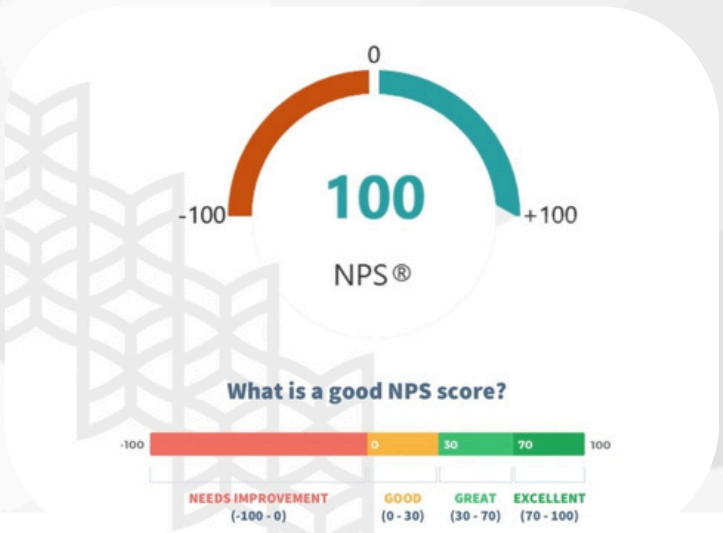

type: Workshop

length: 16 hours

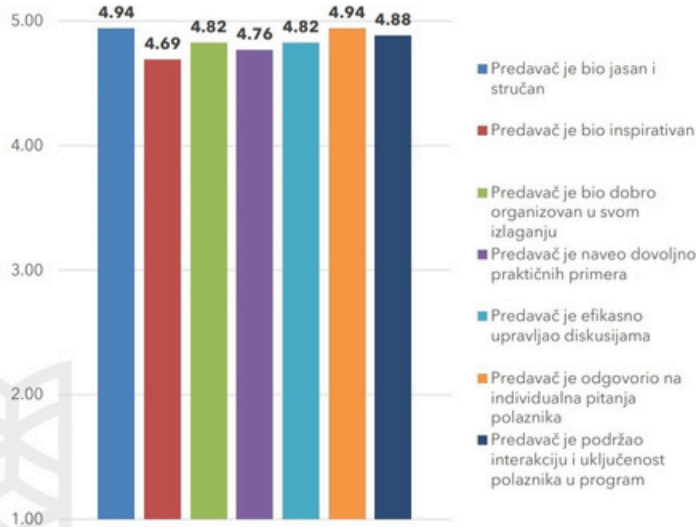

participants: mid-high levels

ON-SITE AND ONLINE

OCENA PREDAVAČA - STEFAN STOJKOVIĆ PROSEČNA OCENA: 4,84

- Predavač je bio jasan i stručan
- Predavač je bio inspirativan

- Predavač je efikasno upravljao diskusijama
- Predavač je odgovorio na individualna pitanja polaznika
- Predavač je podržao interakciju i uključenost polaznika u program

SOME OF OUR CLIENTS

Past attendees rating

9.7/10

Public events

Quality is our
priority!

The collaborative aspect was very helpful.
Stefan, as a facilitator, did a great job of guiding the discussions and reviewing the LCM concepts - these came to life in the exercises with the other participants. I think that's what really makes the difference.

Nelly Jebran • 1st
Change Management | Learning | Leadership

If you're looking for someone to shake up the status quo and actually make change happen (instead of just talking about it). Stefan is all about practical solutions and strategies that people can actually use. If you want someone who can make Lean stick, build genuine engagement, and keep a team feeling inspired Stefan's the one.

Dominika Bula • 1st
Lean Change Agent | Agile Coach | Kanban Advocate (PKT) | Passionate ...

The information was delivered in a very easy-to-digest way, with many practical exercises.

I now know what to begin with, which techniques to use and why and where to look if i need additional insights.

Dragan Vukelić • 1st
IT project Manager and Agile Coach
PSM, PSPO, SPS, PSK, PRINCE2

Stefan was very informative and descriptive talking about each specific fundamental and processes. The inclusion of interactive games and group collaboration was very dynamic.

Nenad Maverick Popovic • 1st
Warrior Coach Mindsets Coach
 Addiction Counsellor, Endurance ...

Stefan is a good listener, and adaptive based on feedback. He brings new experiments and checks with the audience on them. Thanks for the 4 engaging sessions Stefan!

Sarika Kharbanda • 1st
Global Lean Change Hacker | Facilitator | Trainer - Management 3..

Stefan is very well trained Agile coach and has a smooth flow throughout the workshop. He also encourages interactivity and open communication.

Nikola Solunac • 1st
Senior Product Manager at Telesign
