Lessons and Fees

There is a \$25 non-refundable registration fee to secure the setup of the lesson time appointment. Payment must be made prior to lesson via online method of payment through Square, Venmo, Apple Pay or Paypal.

Each lesson is \$25 per half hour. Payment is due the first week of lessons. There is a \$10 late fee if payment is not received at that first week. Monthly payment plans are as follows- 30 minute lessons- \$100/month; 45-minute lessons - \$150/month; and hour lessons are \$200/month.

Students must arrive on time for their lesson. Teaching sessions will not extend past the usual ending time to compensate for late arrivals.

Students who quit will not be refunded.

Practice Time

Beginning students are encouraged to practice at least 20 minutes every day in order to keep progressing in their studies. Parents and family guardians are encouraged to assist their children in helping them establish a specific practice time.

Absences

Please call before noon on the day of the lesson. **Absences by the student will be made up at my discretion. If the student misses for some reason, I will not make up the lesson missed that will still have to be paid for.** Students have one time slot available during the week that they are responsible for. If a student misses more than one lesson that is not paid for their time **will be forfeited**. However, a lesson missed by myself will be made up or credited to the student's account.

Calendar

Lessons schedules follow FWISD school schedule. If FWISD closes school due to inclement weather, lessons are also canceled and rescheduled.

Lessons do continue during the summer months with new scheduling if preferred by students.
