

The adoption process at KSCR

- See what cats/kittens are available on our website, under "Adopt" (www.kitchenerstraycatrescue.org).
- Fill out an application (downloaded from the website). Please attach photos of your most common living spaces in the email due to Covid-19 and our inability to do home checks in person. If you do not attach photos to original email, we move on to the next.
- Send to Tammy at kitchenerstraycatrescue@gmail.com. Put the cats name as the subject line (ie - Bella, Adoption Application). Please do not apply for more than one cat at a time. This is very confusing for us to keep track of.
- Assuming the homechecks are verified, **ADOPTIONS HAPPEN ON A FIRST COME FIRST SERVE BASIS.**
- If you do not hear from us within TWO days this means there is already an adoption pending. If anything falls through we will contact the next person in line.

PLEASE REMEMBER

Some kittens / cats will be more popular than others.

Sometimes we receive 20-50 applications for ONE cat.

Some months of the year are busier than others.

We hold the the right to refuse an application if we deem it is not a good fit or if there are discrepencies with home check and/or application.
