

COG Shop

We make a wonderful selection of apple juice as well as jams, jellies and chutneys from produce gathered from Colwall community orchard and allotments. The preserves are all harvested and prepared by our team of trained volunteers. If you live in the area the food miles are extremely low!

Our sales raise funds to support our work of restoring and creating traditional orchards.

To order any of our produce, or cards you can do so by contacting Wendy by email to secretary@colwallorchardgroup.org. You will be able to pay by bank transfer and we will either deliver (Colwall parish only), or you can collect.

Apple Juice

75cl bottle = £3.00

33cl bottle = £2.00

Preserves

A new preserve for this year is Crab Apple and Blackberry Jelly which has a great colour and delicious taste. See the full list of our produce for sale below.
