

Lash Aftercare

KEEPING
LASHES
CLEAN IS
IMPORTANT
FOR HEALTH
AND
LONGEVITY

- No steam for first 48 hrs
- Do not get wet for first 24 hrs
- No oily products on or near you lashes
- Clean lashes daily with approved non- oily cleanser
- Do not wash with hot water (lukewarm only)
- Brush upwards to detangle
- Do not use eyelash curlers
- No picking or pulling on lashes
- Only use water based eyeliners and mascaras (apply only at tips)
- No waterproof eyeliners or mascaras
- Refill every 2-3 weeks
- Again CLEAN LASHES DAILY

HOW TO CLEAN LASHES

- Gently remove all eye make-up with non-oily make-up remover
- Use approved eyelash cleanser, lukewarm water and clean eyelash brush
- Apply cleanser to lash line using fingertips
- Gently brush upwards from base line to tips
- Rinse with lukewarm water
- Repeat if necessary
- Avoid brushing vigorously when wet
- Let dry and brush upwards to fan out.
