HOW IT WORKS

AL FORM 015 – Airbrush @ your event

We arrive 1-2 hours prior to your events start time for set up. We provide all display materials to provide a nice artistic atmosphere. For each 4 hr period your event will receive uninterrupted maximum airbrush action. If the event is for body/ face paint, each person who will participate must make the line twice- once for a quick cotton swab dab of paint to allergy test and once again to be painted. We only use a Createx, a safe water based acrylic paint for this service, but this extra step helps to ensure no one is allergic before we go to town on their face or body.

Fabrics & T-shirt info

In order to **MAXIMIZE** the amount of orders that can be processed at your event-

ATX Airbrush will provide at least 3 font choices and 3 design choices. No complicated or over embellished designs will be made during the event. Why? Custom designs take too long in a party setting. The target time for each painted item is 5 -7 minutes. If a phrase is requested- it must be no longer than 3 words. Certain designs do not permit more than one word due to space limitations.

Cut Off Time

Each event has a cut off time of 1 hour prior to our scheduled completion time. **EXAMPLE- you book us from 12 noon to 4 pm. Your cut off time will begin at 3pm.**

This means that once the cutoff time is initiated, no more orders will be taken. We do this so that we may finish all of the items that have been ordered before the end of the event. If we don't implement a cutoff time, the orders will continue to pour in.

Additional time may be purchased to extend service to your guests.

LEGAL STUFF

Neither ATX Airbrush nor its contractors will be held responsible for any mishaps at your event. ATX Airbrush does not offer any type of refund or exchange. A non-refundable 50% deposit is due no later than 2 weeks prior to your event. **The balance is due when at the end of your event- no exceptions.** There is a \$50 for rescheduling In the event that power is lost & we are unable to continue service for the scheduled day- and we need to come back out.
