Brad - Two follow up questions are being requested in regard to OPS 25-0112 (Ofc Voss: Allegation: Unprofessionalism). Please have Ofc Voss re-sign and date his original NOI dated 3/4/25 (I left a copy on your desk) and direct him to author a Personnel Report answering the following two questions:

1. Does Ofc Voss consider his interaction with Ms. Bahr on January 16th 2025 to be professional?
2. Does Ofc Voss consider the written response in his previous Personnel Report to be professional?

Both of you are currently working tomorrow (5/15/25). **Please ensure that this is completed by the time you both secure on 5/15/25.**
