### Notes/Narratives

**\*\*BWC utilized and muted while speaking with officers\*\***

On 05/30/2021 while operating as a uniformed patrol officer in a marked patrol vehicle, I responded to 55 N Park Ave (The Mark) to reference an assault that occurred.

The "suspects" had already left the area and the complainant was calling requesting medical attention for his friend who was bleeding from the head.

Upon arrival, multiple individuals were around the victim sitting on the curb on the south end of the apartment complex. The victim, identified as Michael Mendoza was bleeding from the back of his head and had a large gash that was still actively bleeding. Michael was conscious but appeared disoriented and confused. A large puddle of blood was located in front of the parking garage that appeared to be Michael's. I attempted to ask him questions about what happened but he advised that he was only trying to make sure his friends were okay and wouldn't provide details about what happened. I asked him if his head just randomly opened up and started bleeding which he replied yes it did and didn't provide any information about what happened. I asked Michael if he wanted to prosecute which he said he didn't.

Ofc. Baker spoke with a witness named Martin Mendoza. Martin briefly explained that he was in a physical altercation with unknown males associated to a truck when Michael attempted to step in and help him but didn't see how he got hit.

TFD responded to treat Michael for his injury to his head and it was advised that he would need to go to the hospital to get stitches. Michael didn't want to go to the hospital by ambulance but instead wanted a ride from a sober friend named Megan Swinney. I provided Michael with a Vine form in case he changed his mind about prosecution. Michael got in Megan's car and left to go to the hospital.

Ofc. Baker took field photographs of the blood and of Michael's injury.

Cameras were located outside of the incident location but footage wasn't able to be collected at the time of the incident.

**Supplement Notes****\*\*June 2, 2021**

I was working in a patrol capacity when I saw an evidence collection call holding. The reporting party on the call was Michael Mendoza (father of victim-Michael Mendoza). I called Mr. Mendoza to get some background on the evidence request.

Mr. Mendoza explained that his son, Michael, and Michael's friend, Martin Mendoza, had been assaulted by a group of males at The Mark (55 N. Park). He wanted to pull surveillance video that covered the assault and the apartment complex would only provide it to the police.

I read the case and contacted the staff at The Mark. They were able to locate surveillance video that captured some of the fight from two different angles. The angle that showed the most was a camera facing north, directly out of the driveway to the garage (on 10th, between Tyndall and Park Ave). This camera footage could not be downloaded onto a flash drive or DVD. He could not upload it through the AXON link either. I used my department phone to record it off their monitor.

The rest of the videos were uploaded.

**\*\*Victim Michael Mendoza:**

I spoke with Michael Mendoza. He explained that he, Martin Mendoza, Natasha Dickerman, and Gilbert Aguilar had just attended a party inside the apartment complex. They went outside the complex along 10th, east of Tyndall. A male approached wearing a Phillies Jersey (Later identified as Sam Tetrault). Gilbert and Sam started talking baseball when Sam turned his attention toward Natasha. Sam was telling Natasha to leave with him and he was going to a different party. Michael and Martin told Sam to leave and he did.

Michael said that Martin walked east along 10th Street toward Park Ave to look for a scooter when he heard Martin yelling for help, like he was in trouble. Michael went to help. As he arrived near the driveway on the north side of The Mark, he could see some guys assaulting Martin and Martin was on the ground. He pushed one guy out of the way that was walking toward Martin and stood by Martin to protect him. Michael did not remember much else.

**\*\*Injuries to Michael:**

Mr. Mendoza reported that Michael was taken to the hospital by a friend and he was diagnosed with a concussion, 8-10 stitches in the back of his head, and a brain bleed.

**\*\*Natasha Dickerman**

I spoke with her over the phone. She confirmed that she, Michael, Gilbert, and Martin were out along 10th. She remembered Martin leaving, but she arrived at the fight location when it was all over. The suspects and the vehicle were gone.

**\*\*Martin Mendoza (victim)**

I spoke with Martin over the phone. He also stated that he, Gilbert, Michael, and Natasha were on 10th Street. A guy in the red Phillies jersey (Sam) walked up. He did not know Sam, but when Sam started telling Natasha to go with him, he told Sam to leave. Sam left. About 5-10 minutes later, Martin walked toward Park Ave looking for a scooter to go home. As he got near the driveway of The Mark, a pickup truck pulled up.

A male jumped out of the truck and got within about two feet of Martin. The male said, "What's up bro" with his fists clinched. Martin said that he started to say that he was just trying to go home, but the male punched him before he finished his sentence. He said that he remembered going to the ground and getting kicked in the face. Things were fuzzy after that.

Suspect vehicle: Martin described the suspect vehicle as a grey Chevy Silverado

**\*\*Injuries to Martin**

Martin stated that he had bruising and scratches.

**\*\*Gilbert Aguilar**

I spoke with Gilbert over the phone. He also stated that he, Natasha, Michael, and Martin were out along 10th Street, near Tyndall. A guy in a Phyllies jersey (Sam) was walking down the sidewalk. Gilbert said, "Nice jersey" to him. They were talking baseball for awhile. Same turned his attention to Natasha and was telling her to leave with him. Gilbert said that Sam started to get a little rowdy, they told him to leave and he did.

Michael and Martin left for a short time and Michael returned. Gilbert heard Martin yelling for help. He went to where he heard the yelling. He saw Martin on the ground and saw Michael push someone away from Martin.

Gilbert stated that he recognized one of the guys as Gil Luna. When asked how he knew Gil, he stated that Gil was on a competing baseball team in high school and knew of him then. He had also seen Gil at the Circle K on Speedway/Park at approximately 23:46 hrs earlier in the night.

He described Gil as wearing a black long sleeve shirt with the sleeves rolled up, light colored jeans with rips in them, and a backwards hat. He described a tattoo on his right forearm that looked like light beams and some kind of bird.

Vehicle: Gilbert described the suspect vehicle as 2003 or 2004 Chevy Silverado pickup. Extended Cab. Possibly 4x4. Silver.

**\*\*Michael Mendoza (father)**

Mr. Mendoza advised me that Michael and Martin were starting to hear some people talking and texting about the fight through their friends. The information they got was that after Samuel made the comments to Natasha and was told to leave, he sent a group message out claiming he had been jumped. Those guys then responded by getting together and "Jumping" Martin and Michael.

Mr. Mendoza also uploaded a phone recording that Martin had recorded between Martin and an unidentified friend (he did want to be identified). On the recording, Martin asks for information from the unidentified guy, because the guy was claiming that he knew the people and what happened. He eventually confirmed that Randy Abshier is one of the assaulters. He also identified the Phillies jersey guy as Samuel Tetrault and

that Sam was the instigator by telling everyone he got jumped.

\*\* I contacted Sgt Borboa #26742 as he was covering for Agg Assault. I met with Det N. Foster #50738 and briefed him on the case. I also provided Det. Foster's contact information to Mr. Mendoza, Michael Mendoza, and Martin.

**Supplement Notes**

On 06/02/21 I was contacted by Sgt. Borboa #26742 and he requested I meet with Ofc. Krammes #50465 and get briefed on this incident.

Ofc. Krammes met me at the TPD Main Station. He briefed Det. Pena #54035 and I on this incident. Officer Krammes followed up on an assault that was reported on 05/30/21. Officer Krammes obtained video of the incident from the Mark located at 55 N. Park Ave. The video showed a group of males assaulting one male. A second male intervenes and gets knocked unconscious. Officer Krammes obtained statements from two victims Michael Mendoza and Martin Mendoza. He also obtained statements from two witnesses Natasha Dickerman and Gilbert Aguilar. It was alleged the previously mentioned individuals were in the parking garage at the Mark. They had a brief interaction with a male named Sam who claimed to be affiliated with the U of A Baseball Team. During the interaction Sam asks Natasha to go with him and Martin tells him to leave. The individuals all separate. Martin was by himself and looking for a scooter. Martin sees a truck pull up and some males jump out and confronts him. Martin gets punched in the face and knocked to the ground where he gets kicked in the face. Michael was separated from Martin, but he could hear him yelling for help. Michael ran over and he sees Martin getting assaulted on the ground by multiple males. Michael pushes one of the males away from Martin. Michael did not remember what happened after he intervened. Gilbert Aguilar was able to identify one of the suspects as Gil Luna. Gilbert claimed he saw Luna earlier that night at a Circle K located at Park and Speedway. It was alleged that Luna was the one on video who punched Michael and knocked him unconscious. The second suspect was identified as Randy Abshier and he was the male seen kicking Martin in the face while he was on the ground. Randy was identified by Martin Mendoza during a phone call with a male who knew Randy. It was learned that both suspects including Sam were all affiliated with the U of A Baseball team. The subjects seen on video matched the people who were identified.

I spoke with the Director for the U of A baseball team Derek Van Der Merwe. Derek confirmed Randy Abshier and Gil Luna were still on the team. Derek also verified that Sam Tetrault was the student bull pen manager for the team. Derek was willing to assist with getting me in contact with the individuals. I briefed Sgt. Borboa on the incident and he requested I conduct interviews with everyone prior to making contact with the alleged suspects.

On 06/04/21 I spoke with Michael Mendoza over the phone. Below is a summary of my recorded interview with Michael.

-Michael updated me with his condition and advised he had follow up appointments with the Doctor for the injuries he sustained. Michael advised he had the sutures removed from the back of his head. He also confirmed he had been diagnosed with a brain bleed that showed to be improving

during the second CT scan. He was also dealing with pain to his lower back.

-Michael was initially treated at Banner UMC.

-Michael advised he was at the Mark Apartments on 05/30/21 at approximately 0300 hours.

-He was with Martin, Gilbert, and Natasha.

-Michael was with the previously mentioned people when he was approached by an unknown male.

-The male had a conversation with Martin and Gilbert.

-The male then asked Natasha to go with him to a party.

-This caused things to become heated and Michael pulled Martin to the side. Michael could not remember any exact statements Martin made. He did say his behavior was aggressive, but there was no physical violence.

-Michael said nobody touched the male and he left the area.

-Michael said Natasha was just a friend of theirs and nobody had a romantic relationship with her.

-After the male left the area they separated and Martin went to look for a scooter.

-Michael was standing near the corner of 10th and Tyndall when he heard Martin yell for him.

-Michael ran towards where he heard Martin was yelling.

-He sees Martin on the ground and there were 4-5 males standing around him.

-When Michael arrived he shoved one of the males away from Martin. The male was standing over Martin when Michael pushed him away.

-He told the males to leave Martin alone. One of the males hit Michael, causing him to fall and hit the ground.

-Michael's recollection after he was hit was limited.

-He could not provide much information about the person who hit him. He believed the person hit him was left handed due to the injuries being on the right side of his face.

-I explained to Michael there was video of the incident.

-Michael was willing to prosecute.

-I asked Michael about how they were able to obtain information on potential suspects.

-Michael was aware that the male they had the initial interaction with claimed to be Sam and he was the manager for the U of A Baseball team.

-Michael was aware that a male named German, who is also associated to the baseball team, approached Martin approximately five minutes after the incident. German was aware of the incident, but he was reluctant to name the people who were involved.

-Martin had spoken with a friend who advised one of the suspects was Randy Abshier who is a pitcher for the baseball team. Randy was alleged to be the person who kicked Martin.

-Michael denied doing anything that would have caused an injury. He believed it was possible Martin might have punched someone in self-defense before he was overtaken.

-I made arrangements with Michael to meet him at his residence so he could sign consent form to release his medical records for the treatment he received for his injuries.

I uploaded the audio from the phone conversation with Michael Mendoza into AXON. I responded to Michael's residence and he signed the consent form. I emailed the form to Banner UMC and I was able to get copies of his medical records. The medical records confirmed Michael had to receive sutures and he was diagnosed with a brain bleed. I sent an AXON upload link to Michael's mother so she could upload injury photos she had of Michael.

Det. Pena interviewed Martin Mendoza. See his supplement report for details. Det. Pena and I made multiple attempts to interview Natasha Dickerman and Gilbert Aguilar over the phone. I spoke with Rosanna Curti from the Deans Office at the U of A. I briefed her on the incident and advised that I had not spoken with the alleged suspects.

I reviewed the audio from the recorded phone call Martin Mendoza uploaded to AXON. Martin was unwilling to give the identity of the person

from the phone conversation.

- The male Martin spoke with claimed the team was mad at Sam because he lied about getting jumped.
- Sam's lies caused the people involved to respond the way they did.
- Martin said they did not touch Sam prior to the fight.
- The male told Martin he heard the people that showed up just started swinging when they arrived.
- The male talked about Sam being a manager for the baseball team.
- They talked about German being involved, Martin said German was not involved and he showed up approximately 5 minutes after the incident occurred.
- The male heard about someone's head was bleeding.
- Martin pressed the male to tell him who was involved.
- The male said it would not be hard to figure out because they are on the baseball team.
- The male knew who the suspect was that kicked someone during the incident.
- The male said the suspect's name starts with an R and he is a left handed pitcher.
- Martin asks if the person he is referring to is Randy Abshier. The male confirms Randy is the suspect.
- The male claimed he got information from about the incident from a girlfriend of one of the baseball players that works at the Mark.
- The male said everyone is being careful about what they say about the incident because they know they messed up.
- Martin told the male he is going to keep his name out of the incident.

On 06/09/21 Det. Pena and I collected video from the Circle K located at 977 E Speedway. Gilbert Aguilar told the police he saw Gilberto Luna at the Circle K a few hours before this incident. Det. Pena and I reviewed the video and compared it to the video from the Mark parking garage. On the Circle K video you can see Gilbert Aguilar enter the business around the time as the male that was identified as Gilberto Luna. The male that was identified as Gilberto Luna was wearing the same clothing in the video from both locations. Det. Pena uploaded screen shot from the Circle video into AXON. Det. Pena also submitted a copy of the video into evidence.

I spoke with Derek Van Der Merwe and coordinated meeting with Randall Abshier, Gilberto Luna, and Samuel Tetrault. I was advised that all three subject were at Hi Corbett Field (700 S. Randolph) and they were available to speak with me. Detective Pena and I responded to Hi Corbett. We made contact with staff from the baseball team and we were advised they would have the three previously mentioned subjects come speak with us. All three walked to a conference room to speak with us. All three were spoken with individually.

Det. Pena and I interviewed Samuel Tetrault. Below is a summary of Samuel's recorded statement.

- I advised Samuel that I was investigating an incident that occurred on 05/30/21.
- He initially had no recollection of anything happening on that date or why his name was mentioned during my investigation.
- I advised Samuel the incident from 05/30/21 occurred on a Saturday at approximately 0300 hours.
- Samuel recalled being at the Mark apartments with some friends. He left the Mark and he got lost in the garage.
- Samuel said he had contact with three males and a female. He had what started out as a friendly conversation with the group.
- One of the males started talking to him about playing baseball with the U of A. The male also told him he played baseball for Coastal Carolina. Samuel said he laughed when the male told him about playing baseball, which caused him to become upset.
- Samuel left the group and walked away. Two of the males followed Samuel.
- Samuel said one of the two males held the other one back. He heard the male that was being held back make statements about wanting to "fuck him up."
- Samuel said he then heard all three of them start saying they wanted to "fuck him up."

**Incident/Investigation Report**

Agency: TPD

Case Number: 2105300022

Date: 7/7/2021 10:15:05

- This caused Samuel to become fearful, so he went across the street, hid behind a car, and called for a ride.
- Samuel said he could not really remember much after that. He could not remember who he called.
- I explained to Samuel that telling half of the story about what happened would not help the situation.
- I asked multiple follow up questions and Samuel would say he couldn't remember.
- Samuel could not remember much detail about what the people looked like that he had the interaction with that caused him to fear for his safety. The only thing he could say was they were all taller than him.
