Summary:

Helen Markussen made an online complaint about an officer in vehicle #839 with a "3" in the left corner of the SUV, tailgating her and two other vehicles. She estimated there was only about 2 feet between the officer and the vehicles he tailgated after her. The officer didn't pull anyone over, just kept getting behind cars and driving too closely behind them for no apparent reason.

Synopsis:

On July 18, 2019, Assistant Chief Hall advised OPS of a package delivered to Councilor Regina Romero's office. The package contained a letter and a DVD, and was accepted by an intern at the ward office. The letter was from James M. Voss to Councilor Romero. The letter stated she used influence to get her sister out of a DUI. The body-worn camera footage from the investigation was included on the DVD. In April 2018, there was a public records request for the case report (TPD #1709290029) by James M. Voss. There were two additional cases requested at the same time (1710110045 Robbery, 1710180077 DV/Assault, No Injury). All three records requests included requests for body-worn camera footage.

Investigative Steps:

July 18, 2019 (42316 CM)

On July 18, 2019, Acting Lieutenant Erdman #28219 assigned this case to me and provided Sgt. Brady #49664 and me with a briefing. He directed us to retrieve the package from the Tucson City Council Ward 1 office and advised A.C. Hall would be joining us due to the political nature of this investigation. A short time later, A.C. Hall came to OPS and advised he wouldn't be joining us as Councilor Romero was not going to be at her office.

Sgt. Brady and I went to the ward office, located at 940 W. Alameda. The front door was locked, so we pushed the doorbell button to request entry. We looked around the outside of the building and didn't see any surveillance cameras. I heard the door unlock and we went inside to the front desk. I made contact with Alvira Gallego who is Councilor Romero's executive assistant. I explained who we were and why we were there. She said she was told not to give the package to anyone except Chief Magnus or A.C. Hall. I told her A.C. Hall didn't come with us because Councilor Romero wasn't there and I gave her A.C. Hall's department cell phone number so she could call and confirm. She spoke with A.C. Hall who confirmed that she should give us the package which she did. I asked her if the intern who had received the package was there, and she said she wasn't. I got her name and phone number (Vanessa Yanez). Ms. Yanez gave Ms. Gallego the package, and Ms. Gallego opened the package prior to giving it to Councilor Romero, as a part of her normal course of duties. Ms. Gallego confirmed there weren't any surveillance cameras at the office.

Upon returning to the office, I printed out all three cases and associated paperwork. I confirmed in Telestaff that the James M. Voss who wrote the letter is Ofc. Voss #43601; the name and phone number are a match, and the address written on the public records request match his address. Ofc. Voss made the following public records requests:

(4/20/18) 1709290029 (DUI) - Reports and body-worn camera requested. On the form, under Additional Information, is written, "I would also like the BWC footage from Ofc. Bonanno <u>only.</u>"

(4/20/18) 1710110045 (Robbery)   Reports and body-worn camera requested.

(4/20/18) 1710180077) (DV/Assault)   Reports and body-worn camera requested; both this case and the robbery case were requested on the same public records request form.

I sent Councilor Romero a complaint receipt via GroupWise.

I called Vanessa Yanez and conducted an interview with her. Below is a synopsis of the interview:

She is an intern at the Ward 1 city council office
She does clerical work
She works in the very front
The package was dropped off about two weeks ago
It was a Monday or Wednesday; she works those days
It was around 3 p.m.; after lunch but before the end of the day
The male asked her to give the package to Ms. Romero
She opened it
There were three papers and a DVD containing the incident on police cam
The letter was about a court case was dismissed because the arrestee claimed to be Ms. Romero's sister
The male's name was on the letter
He was a white male, late 20s/early 30s, 6 feet tall, well built, brown hair, brown eyes, wearing a military green colored shirt with an American flag, and jeans
He said his contact information was inside the package
There was no indication from him that he was a police officer
He was calm and professional
He came alone and no one else was up front with her
The letter and DVD were inside a manila envelope
He was straightforward
He was inside the office for less than a minute
She put the package on Ms. Romero's executive assistant's desk after opening it
The executive assistant opened the package about fifteen minutes later
She doesn't know when the package was given to Ms. Romero

I contacted TPD Records Superintendent Sue Stahl for guidance on running an audit in Disc Image. I went to her office and she gave me a quick tutorial. She sent an email to the help desk to grant me access to the auditing function.

I contacted Sgt. Andreacola #27359 for guidance on running an audit of body-worn camera footage. He walked me through this over the phone and explained that officers don't have access to any BWC footage except their own (unless they request permission on Evidence.com and the recording officer approves it on Evidence.com). He further explained that detectives, sergeants, and commanders all have viewing access to footage on Evidence.com. I subsequently ran an audit on 1709290029 (DUI) and found that Ofc. Voss didn't access any of the video from Evidence.com.

July 22, 2019 (42316 CM)

I ran audits of the following cases on Disc Image to determine if Ofc. Voss viewed or printed any them:

1709290029 (DUI)   11 documents – No queries or printing by Ofc. Voss.
1710180077 (DV/Aslt.) -   9 documents – No queries or printing by Ofc. Voss.
1710110045 (Robbery) – 18 documents   No queries or printing by Ofc. Voss.

I ran audits on the following cases in Evidence.com to determine if Ofc. Voss viewed body-worn camera footage:

1709290029 (DUI) – 2 videos (including extractions) – Not accessed by Ofc. Voss.
1710180077 (DV/Aslt.) – 3 videos (including extractions, unable to audit or open the third video by Kosmider)   None accessed by Ofc. Voss.
1710110045 (Robbery)   11 videos (including extractions) – None accessed by Ofc. Voss.

The audits I conducted in Disc Image and Evidence.com showed Ofc. Voss did not access any documents associated with 1709290029 (DUI), 1710180077 (DV/Aslt.), or 1710110045 (Robbery) while on or off duty as a police officer, nor did he access body-worn camera footage associated with those cases. It was apparent by Ms. Yanez' description of Ofc. Voss that he didn't drop the letter off to the ward office while on duty. She described the clothing he was wearing as a military green shirt bearing an American flag and jeans, and he made no indication to her that he was a police officer.

I provided all the information I obtained from my investigation to Deputy Chief Kasmar for consultation with the City Attorney and Department legal advisors.

I scanned the Disc Image and Evidence.com audits into IAPRO.

I spoke with Ofc. Garman #29821of ISDU and asked if there was a way to audit ILEADS/Field Reporting to determine who had viewed or printed cases. He said the auditing function was not set up for ILEADS/Field Reporting.

July 29, 2019 (42316 CM)

Acting Lieutenant Erdman and I met with Assistant Chief Silva to discuss this investigation. A.C. Silva advised this case would be closed out as an EC3.

A.C. Silva forwarded me a memorandum sent to Chief Magnus from Councilor Romero. I added it to the file.

A.C. Silva notified me that a joint memorandum composed by Chief Magnus and City Attorney Mike Rankin was sent to Councilor Romero as a response to her memorandum to Chief Magnus. He forwarded me the document and I added it to the file.

July 30, 2019 (42316 CM)

I sent an email to Records Superintendent Sue Stahl requesting the redacted case reports that had been provided to Ofc. Voss, to include in the file.

Superintendent Stahl provided me with the case reports and I added them to the file.

July 31, 2019 (42316 CM)

I sent email notification to Officer Voss and his chain of command, advising of the closure of this case. Per A.C. Silva, I attached the following documents to the email: The memorandum from Chief Magnus and City Attorney Mike Rankin to Councilor Romero, the Tucson City Code extreme DUI plea agreement guidelines, and the Tucson City Court DUI Sentencing Minute Entry for Margarita Romero-Durazzi. I added the email notification to the file.

Conclusion:

Ofc. Voss made records requests from TPD Records and delivered a letter and a body-worn camera video to Councilor Romero's office while off duty, and during these interactions did not give any indication that he's employed as a police officer.

A review of all the information available shows that nothing that has been alleged or described amounts to a violation of the law, Department General Orders, Policies or Procedures by a member of the Department. This case is closed as an *External Complaint-Level 3 (EC-3)*.

Councilor Regina Romero

Tucson City Council/ Ward 1

940 W Alameda St

Tucson, AZ 85745

Dear Councilor,

I write to you as registered voter, a tax payer, and a denizen of the City of Tucson. The City of Tucson has a traffic fatality problem. Year after year, for the last several years, we have been losing more people than the previous year. Many of these traffic fatalities are alcohol related.

On September 29, 2017, Tucson Police Officers arrested Margarita Romero- Durazzi for multiple DUI offenses. Margarita had a blood alcohol content that was two and a half times the legal limit, she repeatedly calls a female police officer a "bitch," and she mentions the fact that her sister is a city councilwoman with the City of Tucson.

I looked on the Tucson City Court website and found no record of Margarita's arrest when I looked her up by name. However, when I entered the docket number, Margarita's name and the details of her arrest were accessed. I found it odd that I could not access Margarita's information by name so I searched for the records of three Tucson Police Officers (current and former) who had been arrested within the city limits of Tucson. What I found when I looked them up by name was all of the details of their case, I could see if they pled guilty or not guilty, and I could see if they had been current when paying their fines. Margarita was charged with four DUI offenses. Court records show three of the charges, the three most severe charges, were dismissed by the prosecutor.

I decided to request the body worn camera footage through a public records request. After approximately 14 months, I received the video. What I saw was a person who was extremely intoxicated. She was unbelievably rude and I cannot see how any of the DUI charges were dismissed. I'm just glad the officers were able to intervene before she got on the road.
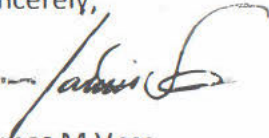

This leaves me with a question to which I would like an answer. Should everyone in America receive equal protection under the law as guaranteed by the US Constitution Fourteenth Amendment or should justice be administered based on the defendant's last name, influence from family members or anything other than the facts of the case?

I have enclosed a copy of the case summary from Tucson City Court as well as a copy of the body worn camera footage of the incident.

I look forward to your response. Thank you for your time.

Sincerely,

James M Voss

C. Members are required to report completely, honestly, and accurately all facts and information pertaining to any investigation, whether criminal or administrative, or other matter of concern to the department.

D. This rule does not apply to an officer's questioning or interrogation of a person involved in a criminal investigation or where the officer is engaged in an approved undercover role where such misrepresentation is not inconsistent with law or accepted professional practice.

1330.20 Security and Confidentiality of Department Business Required

A. **Confidentiality:** Members shall consider the operations and official business of the department to be confidential. They shall not release such information to anyone not authorized to receive the information except in accordance with department procedure.

I have reviewed the prosecution and disposition of the referenced case, and can confirm that the case was prosecuted and disposed of in a manner entirely consistent with our plea guidelines and policies In short, the case was handled in the same manner as any other case with similar charges. I am attaching the Sentencing Minute Entry, relevant case reports, and the page from our plea policies. The plea offer was reviewed by experienced supervising prosecutors before it was extended to the Defendant.

As to any issues about the ability to pull up the case information online, I'm guessing that the hyphenation in the name would explain any issues with a search by name rather than by docket number.

In my opinion then, it's already disclosed and it's no longer work product. And since it's just that one page of the plea offer guidelines, I really don't think the CPO will have any problem with it. I was concerned that it was the whole (rather lengthy) document.

MEMORANDUM

DATE: July 26, 2019

TO: Chief Magnus
           Tucson Police Department

FROM: Regina Romero
           Ward I Council Member

SUBJECT: Citizen's Complaint

On July 8, 2019 a letter was hand delivered to my council office by James Voss alleging my influence over the 2017 DUI arrest of my sister, Margarita Romero-Durazzi. I had no prior knowledge of the incident and Mr. Voss's letter was the first that I had heard of the issue. I strongly deny Mr. Voss's implication that I would use my influence to intervene in a legal matter and am disgusted that he would attempt to impugn the integrity of the city's judicial system. You and I both know that the employees in our system would not tolerate any level of political interference in matters of the judiciary.

I am deeply concerned by TPD Officer Voss's slanderous allegations against the City Attorney's Office, myself and my family about political interference in any legal matter.

Since receiving the letter from Mr. Voss I have received media requests asking for more information on the matter, indicating that this information was to be released. The release of the information by Mr. Voss and associated parties is intended to be a political accusation, and intended to call into question my non-role in the incident. I respectfully request a timely response to clarify my lack of involvement in this case and dispel the patently false allegations of misconduct.

MEMORANDUM

DATE: July 29, 2019

TO: Council Member Regina Romero
Ward 1, City of Tucson

FROM: Chris Magnus
Chief of Police

Mike Rankin
City Attorney

SUBJECT: Response to request for clarification

On July 26, 2019, the Tucson Police Department received your memorandum requesting clarification regarding allegations contained in a letter received by your office concerning the arrest and prosecution of your sister Margarita Romero-Durazzi for DUI in 2017.

As a preliminary matter, we can confirm that Chief Magnus was never contacted by you to intervene in any way related to your sister's arrest. Your interaction with Chief Magnus on this subject first occurred when you contacted the chief several weeks ago to let him know that James Voss (a Tucson police officer) dropped off a letter at your office. The letter insinuated you had been involved in this matter in 2017-18 with the purpose of influencing the outcome of your sister's case.

Following your conversation with the chief, the Tucson Police Department's Office of Professional Standards (OPS) opened an inquiry into this matter. The OPS investigation concluded that Mr. Voss was not on duty nor did he utilize city resources when he submitted the public records request for the police report and body-worn camera footage associated with this case. OPS also determined that Mr. Voss was not on duty or using city resources when he delivered his letter to your office.

On July 18, 2019, City Attorney Rankin reviewed the file information in connection with City Court Docket TR 17055794 relating to Margarita Romero-Durazzi. As shown in the attached "Sentencing Minute Entry," the case was disposed via a plea agreement under which Ms. Romero-Durazzi pled guilty to DUI and was ordered to serve 2 days in jail, pay $1,730.00 in fines and fees, complete 15 months of unsupervised probation, and submit proof of alcohol abuse treatment.

The plea was accepted by the Court and a sentence was imposed on April 4, 2018. Mr. Rankin's review of the case and its disposition show that the prosecution of this matter was handled "by the book" and in the same manner as any other defendant facing similar charges. The plea offer that was extended was entirely in line with the City Prosecutor's plea guidelines, the relevant page of which is attached.

The plea offer and disposition of the case demonstrate no special treatment was extended to your sister; and Mr. Rankin confirms that neither Council Member Romero nor any other person contacted him at any time about this case. The first time Mr. Rankin heard anything about this case was when he reviewed the letter that was dropped off at the Ward 1 office by Mr. Voss.

Your memorandum indicates that you are concerned about the potentially slanderous insinuations in Mr. Voss' letter. Members of both departments discussed your concern at length and concluded that this aspect of the complaint is civil in nature and cannot be addressed through the police department's administrative inquiry.

Should you have any further questions or concerns, please feel free to contact us.
