Letter from the President

It is with immense gratitude that I am able to address you as The Three Point Club President. I appreciate the club members allowing me to serve as their President for the past few years and look forward to the next few years. It is an honor to be in this trusted position. To their credit, The Club Board Members, and all members, have done amazing work in making The Club successful.

So much has happened in the past few years that has helped improve The Club. The most notable event has been the launch of Bingo events this past year and has seen overwhelming success.

Due to Bingo funds, the mortgage was paid off about 10 years earlier than expected. We have been able to pave the parking lot and repair the roof. I look forward to the many projects yet to come. We plan to replace the flooring in the building, update the bathrooms, fence the parking lot, and much more.

The Three Point Club is not associated with any one Anonymous Group but is a safe place for these groups to meet. We attempt to follow the traditions of the Anonymous Groups but sometimes must step outside of the traditions to make sure we continue to be a place the groups can meet.

In keeping The Club a haven for these groups, there are many times I, as President, have had to make tough decisions. However, it has been my pleasure and honor to do what I can to make The Club a place for members of any Anonymous Group to meet and grow in Sobriety.

Yours In Service,

Don Miller, President
