

WANT A REAL AUTHOR AT YOUR NEXT BOOK CLUB?

WHO:

For any parent, teacher, or adult who wants to build stronger connections with teens—and wants a real author to show up and help lead the conversation at their next book club.

WHAT:

Bring *Blatantly Honest* to your next book club! Start real, meaningful conversations inspired by a book written by a teen, for teens.

WHERE:

Anywhere! All you need is the book (but I can ship those to you). I can also provide:

- 🎧 Audio recordings
- ☎️ Skype or Zoom call-ins
- 📋 Book-themed activities
- 📖 Bulk books for your entire group (available at a discounted rate)

WHY:

Talking to teens can be tough. I created *Blatantly Honest* to help spark real conversations between teens and the adults who care about them—at home, in classrooms, and yes, even in your book club.
