

Kenpo Students and Instructors Exciting News!!

As you may have heard, Mrs. Cantrelle and I will be retiring and the Toyon Location will be closing at the end of October 2026. We have been honored to have you support us in all these wonderful years. 20 Years is a long time. We thank you all for our continued success. You may think that it is the end. It is not. It is a new beginning. We have a fantastic opportunity to continue Cantrelle's Martial Arts. The same system, same black belts, just a new location.

What this means to you, our students, instructors and support family is this:

- We will have a new physical location, but the material, instructors and the friendly atmosphere will remain the same.
- Everyone will retain rank and the progress at their current levels without any change. The same uniforms, same belts and the same dojo name.
- Mrs. Cantrelle and I will not be a part of the day to day teaching. Teaching will be under the direct guidance of our 2 ranking Adult Black Belts; Mrs. Bueno and Mr. Petro (Each are 2nd Degree Black Belts). We will oversee Black Belt testing and training as much as we can. We will also do occasional seminars and training seminars for students depending on interest.
- Payments will be made to the location owner; KJN Scott Cordero by cash or Zelle. You can obtain the account information from him directly as well as payment amount to be paid.
- Our days of operation will be Tuesday, Thursday and Saturdays. The other days of the week will be dedicated to other programs run by KJN Scott Cordero.
- Our new location information is: Cantrelle's Martial Arts, Eastridge Center Community Fitness Room, 2200 Eastridge Loop, SJ CA 95122. Contact: KJN Scott Cordero (408) 202-9029, email: scottcordero2000@yahoo.com

Thank you very much for your continued dedication and support.
