

March 2021 Event Schedule

- **We want to thank all of our Karate families for your continued dedication and support!!**
- **Outdoor Classes continue this month at the dojo facility on the matted area outdoors (40 Square Meter open Space (Masks Required))**
- **Indoor Dojo training will continue evolving as Health Orders allow (Currently Red Level (10% Allowed Indoor)). This allows us to bring a small amount of students at a time to train on the indoor mats and experience the indoor dojo. We will increase indoor capacity as allowed by changing Health Orders.**
- **Monday Zoom Classes will continue for those families that want to take advantage of that offering. Classes will continue until we are allowed to open fully indoors.**
