

Important Update !!!

Governor's Order Delays Opening

As of July 13th, Governor Newsom has ordered the closing of all indoor activities such as ours to close as of July 15th. That makes it of course impossible to open on our previous projected date of July 21st. We will continue to provide training to all of you who have been supporting us. We will keep the same online and outdoor options that we have had so we can work out together and make it through these hard times.

Here are the training options we will continue to provide

Kenpo In The Park:

(A Safe, Fun and unique way to Safely Train with other students in a open Park Setting.)

Online Classes using ZOOM:

(Classes separated by Levels and held three days per week)

Thank you for your continued support!!

Prof & Mrs. Cantrelle – Owners (CMA)
