

WINCANTON AND DISTRICT GARDENERS' ASSOCIATION

ESSENTIAL REQUIREMENT

At our AGM in October 2024, we will be seeking to replace two of our officers, as they have announced they will be retiring.

As a result, we will need to appoint a new Secretary and Chairman, at the AGM.

Both roles form an essential part in the daily running of our association, without which it cannot continue.

If you are interested in either role, please telephone 01963 33160 for further information. We look forward to your consideration.

Many thanks

WDGA
