# ASCA Service Membership and Tracking Number Application

IRREQUENTLY ASKED QUESTIONS

In order to have your dog's tracking number recorded by ASCA, you must be a Service Member. The tracking number is a one-time fee of \$10 per dog. It is required for all dogs to be eligible for ASCA membership and to receive points for obedience trials and tracking events.

## Do I have to have a tracking number to compete?

- You do not need a tracking number in order to compete in Agility or Stock.
- You will need a tracking number to enter all Obedience trials, Rally trials, or Tracking events.
- Your dog does not have to be a purebred to receive a tracking number from ASCA.

## Why would I need or want a tracking number for my dog?

If you would like to have your dog's points recorded by ASCA, all dogs are required to receive their tracking numbers in the mail for your records. If you have completed tracking events, you will need to obtain a tracking number.

## What is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a Service Member. The cost for Service Membership is \$10.

- Your membership is good for one year; however, it does need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is in addition to the tracking fee of \$10 per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be \$20. If you have two dogs, the cost would be \$30, etc.
