### OBEDIENCE & RALLY SPECIFICATIONS

No dog without an ASCA individual registration, LEP number, or ASCA Qtracking number may compete in any ASCA Obedience or Rally trial. ASCA QTracking Number applications can be downloaded from [www.asca.org](http://www.asca.org). It is possible to apply for a Tracking Number the day of the show, but it helps make check-in smoother to have that form filled out in advance. Handler is responsible for his dog and must keep the dog under his control at all times. Dogs must be on leash when not in the ring. Handler will be responsible for any injury caused by their actions or that of their dog. **No bitches in season permitted in the building (even in pants).**

---

**POSTED OBEDIENCE & RALLY SCHEDULE:** We are encouraging pre-entry so that we can post approximate schedules for Obedience and Rally Classes. We will post the entry counts and tentative schedule on the club's **Greater Atlanta ASC Facebook Page** shortly after the close of Pre-Entries, **We will accept Day Of Show entries, but keep in mind, the limit of runs will be adhered to for these trials – and we anticipate filling the trials very quickly! Once a trial is full, we will start a Waiting List. Alternates will be notified in advance, as soon as runs become available.**

**GAASC's Facebook page: Greater Atlanta ASC** Check it frequently for updated entry counts and tentative schedules! We will NOT be emailing each person individually with the run schedules or changes – unless you are on a waiting list, and a run becomes available for you. There will NOT be a separate "Big Kahuna" Facebook page for this event.
