TESTIMONIALS

I enjoyed the three-day Biopulsar training very much. I found it to be a positive experience, informative and I learned a lot. I am currently doing some research for my master thesis on emotional holding patterns & physical ailments. I am using the Biopulsar as a research tool. Manida White is an excellent teacher and consultant. I was so happy to have met her.

I have just returned home tonight from my incredible Biopulsar training in Colorado with Manida White! My life will truly never be

the same because of this class! Manida has a wonderful mix of grace, humbleness and extreme intelligence that represents the colour energy and the Biopulsar products at the highest level! Congratulations for having such a successful and unique product that has me in absolute amazement (and excitement)!

I truly want to thank you for allowing me this opportunity that I just experienced. I loved every minute of it and my mind is still swirling with information and COLORS!!! ;)

My sincerest thanks and appreciation to you and Manida.
