## TECHNOLOGY SUPPORT FOR HAWAII'S KUPUNA

Are there seniors who could use help with their tech devices? Acton Digital Academy's Tech Savvy Teens are here at no-charge for senior living centers, shopping malls, senior community centers and any senior-oriented recreation program. Tech Savvy Teens aims to empower Hawaii's teens with essential digital skills while striving to make a meaningful impact on the lives of Hawaii's kupuna.

### VISIT OUR WEBSITE TO RESERVE YOUR SPOT!

Two teens and one guide will be available for a single 4-hour session, all on the same day. With an average of 1 hour of one-to-one dedicated to a senior, we kindly request you to prepare a sign-in sheet by the hour. Visit our website to reserve a session or contact us by email at [sasha@actondigitalacademy.com](mailto:sasha@actondigitalacademy.com)
