

Kuwait Geosciences Society

*Revolutionizing Geoscience in One Year
From National Impact to a Center of Excellence*

One Year. Unmatched Progress. The KGS Way.

Establishing Credibility & Strategic Reach:

- Signed 12+ MoUs within **one year**.
- Built **strategic partnerships** with key local, regional, and international institutions.
- Gained **national, regional and international trust** as a unified voice for the geoscience community.

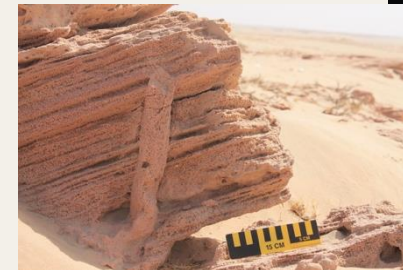

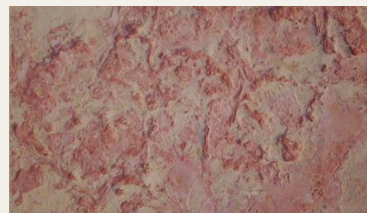

Advancing Public Awareness & Sustainability:

- Featured in 20+ **national media** (TV, radio, and press) raising **visibility** of geoscience and **sustainability** efforts and awareness initiatives.

Launching Strategic & Regional Initiatives:

- Proposed **Kuwait Geoparks** to safeguard and promote geological heritage.
- Initiated the KGS 1st GCC Geoscience **Conference**.
- Championed the formation of the **GCC Geoscientists Union**, gaining unanimous regional support.

One Year. Unmatched Progress. The KGS Way.

Becoming a **Center of Excellence**:

- Cemented its role as a **center of excellence** for geoscience knowledge, innovation, and community leadership.
- Fostered a strong, **connected geoscience community** that shares knowledge, solves challenges, and advances national goals.
- **Bridged the gap** between academia, industry, and the public to align research, application, and awareness.
 - Positioned geosciences as a **pillar of sustainable development**, energy transition, and strategic decision-making in Kuwait.

One Year. Unmatched Progress. The KGS Way.
