3 BED

2.5 BATH

1,508 SQ. FT.

BUILT IN 2015

You don't want to miss this two-story, 3 bed, 2.5 bath home. The kitchen has been remodeled with solid maple cabinets, that include gentle close, spice rack and garbage cabinets. The farm sink and backsplash look amazing in this one-year-old home. BBQ on your large patio and watch the kids play in the large backyard. The utility room includes a large additional storage closet. Upstairs, you'll find the master bedroom suite, two secondary bedrooms and a secondary full bathroom.
