Friends of special Children
P.O. Box 5718
Chattanooga, TN 37406

Greetings,

Friends of Special Children and Signal Centers share a deep commitment to ensuring every child is given the opportunity to learn, grow, and thrive in a safe and supportive environment. Through the enduring legacy of the ABC Event—and the extraordinary generosity of our sponsors—Signal Centers has become a place where children of all abilities are not only welcomed but truly supported in reaching their full potential.

As we look ahead to the 2026 ABC Event, we are focused on a strategic, campus-wide investment in safety, communication, and learning. This initiative includes enhanced classroom and playground audio systems, permanent pavilion sound infrastructure, and upgraded security and camera technology, each designed to create a more connected, responsive, and secure environment for the children and families we serve.

For our partners, this is more than sponsorship, it is an opportunity to play a meaningful role in shaping the daily experience of every child on campus. These enhancements will strengthen communication, support staff in delivering the highest level of care, and ensure that both safety and learning remain at the forefront of everything we do.

With your partnership, we can continue to build an environment that not only meets today's needs but thoughtfully prepares for the future—while preserving the warmth, inclusion, and sense of belonging that define Signal Centers.

Together, we can make a lasting and visible impact.

Thank you for your continued leadership and generosity. We would be honored to partner with you for the 2026 ABC Event.

ABC EVENT PRINTED PROGRAM AD MAIL-IN FORM

For 21 years, the ABC Event has helped Friends of Special Children and Signal Centers provide children with the tools they need for a strong start in life. Now, as we celebrate this milestone, we're proud to secure the future and grow the Children's Legacy Fund—a long-term resource built to weather economic shifts and ensure stability even in uncertain times. This fund supports inclusive learning, evolving technology, and scholarships for children with special needs. With your help, we can continue this legacy and secure a brighter, more resilient future for generations to come. We invite you to take advantage of this advertising opportunity and support our endeavor by purchasing an ad in our printed event program.
