Spare Time Entertainment, 5518 Brainard Rd, Chattanooga
{ Check-in at 1:30 PM }

\$25/bowler Includes 2 hr bowling, shoe rental, Team pizza and pitcher of soda

Chatter Camp is Signal Centers' summer program for non-verbal children. At CHATTER CAMP the children use computer devices to communicate. Often these children are the only ones in their classroom using this technology to speak. Chatter Camp offers a fun, comfortable environment that is incredibly normalizing for the children as they interact, learn and socialize with peers similar to them.
