COMPLETE CLARITY

WWW.COMPLETECLARITY.ORG

**Our tiered pricing system allows for parents to receive the individualized experience they are looking for that aligns with their budget.**

**Standard** tutors are our entry level tutors. We pride ourselves at offering employment opportunities to young adults who have just completed high school or who may be working on their college degree. We ensure parents that our standard level tutors have been trained and are qualified to provide support to students in the subjects they have indicated on their tutor bios.

**Premium** tutors have at least 6 months of experience working with students academically. They are either new hires to Complete Clarity with teaching/tutoring experience or they have demonstrated their tutoring skills for at least 6 months as a tutor with Complete Clarity.
