Bouncy Castle Hire

TERMS & CONDITIONS OF HIRE

It is the responsibility of the hirer to ensure that all possible steps are taken to avoid injury to users or damage to the equipment (which includes all items supplied by Crazy4Bouncing). PLEASE READ the following safety instructions and ensure that they are followed:

1. A responsible person over 18 years of age must supervise each inflatable at all times.
2. Any soft play and/or other equipment hired must also be supervised by a responsible adult.
3. The inflatable/s must be secured to the ground at all times.
4. No food or drinks are to be consumed on the inflatable (to avoid choking and mess).
5. Do not allow children to take any hard or sharp objects onto the equipment, or anything large enough to block exits/entrances.
6. Do not allow children to take balloons onto the equipment (burst balloons and strings can be a choking hazard)
7. Do not allow anyone to bounce on the step/front apron of the inflatable/s during the inflatable/s. The step is there to help users get on and off.
8. No-one with a history of back or neck problems should be allowed on the inflatable/s.
9. Do not allow users on the inflatable/s during inflation or deflation.
10. Ensure that the vent on the side of the blower is kept clear at all times.
11. No smoking, barbecues, glass or animals on or near the equipment.
12. Avoid large children and small children from using the equipment at the same time
13. Reckless or boisterous behavior must not be allowed.
14. Climbing, hanging, or sitting on the walls is dangerous and must not be allowed.
15. On Adult equipment, adults and children cannot use the equipment at the same time. Anyone under the influence of alcohol or drugs (prescription or otherwise) must not use the equipment.
16. Should a blower overheat or lose power, immediately remove children from the inflatable and switch the blower off at the mains. It should restart when switched back on again 1 or 2 minutes later. If it does not please inform us on the telephone number below.
17. In the event of rain please remove children from the inflatable/s and place a table or similar object over the blower/s to prevent water from being blown inside the inflatable/s. Do not switch the blower/s off. Once the rain has stopped, please ensure that the entrance and exit to the inflatable/s are dried with a towel before children are allowed back on as they become slippery when wet.
18. If the inflatable/s are not being used for any part of the day, please switch the blower/s off at the mains. We will not setup in the event of rain or high windspeeds including gust over 24mph. We have the right to come and take down any inflatable during the party/event if we believe it's unsafe.
19. No water or other liquid to be poured or sprayed onto the equipment (other than a reasonable amount for cleaning purposes) as it causes the surface of inflatables to become slippery, damages soft play, and can result in subsequent bookings being cancelled if the equipment is too wet to be delivered. If equipment is deliberately soaked you will be charged double your hire fee to cover our costs in subsequent cancelled bookings and drying time.
20. No party-poppers, henna, face paint, colored streamers or "silly string" can be used near or on the equipment, as they can permanently stain.
21. All shoes, badges and jewelry (e.g. large earrings, necklaces, etc.) must be removed to avoid damage to the equipment and injury to other users. It is recommended that spectacles and plastic Alice bands are also removed. Adults must remove high-heeled shoes before stepping on mats
22. No sub-letting of the Equipment is permitted

Please bear in mind we reserve the right to cancel your booking at any time if we feel that is not safe because of high winds and rain or any other conditions. Please Read 17 and 18 for more info
