## NOTES FROM TRISTA & COURNTEY

WOW! A huge thank you to everyone who brought in donations last month! Between the donations for graduation to the donation for our dramatic play prop boxes, we are reminded that we are all here to continue to provide to best possible care and education for our littles!

Be sure to check out our front entrance wall filled with our New Artists of the Month. We have a blank board but are looking forward to filling it with one of our school aged children!

We are looking for gardening tools, child size shovels, rakes, ect. If you have any laying around we will take them!

Summer program starts June 9<sup>th</sup>!!  
Please reach out if you have any questions about classroom placement.

--Ms. Trista & Ms. Courtney

## BABY ROOM

This month we are spending lots of time on our tummies! And we have some fun summer activity planned! Please make sure your baby has a sun hat to help protect their head from the sun.
