Minutes of meetings

The purpose of this meeting is to review our progress over the past year, discuss our challenges and opportunities, and set our strategic direction for the upcoming year. Meeting of the Governing Body is held once in year. Apart from this, a meeting of principal and faculty member is conducted every month to deliberate on academic aspects. The Governing body meeting was held at 11:00 am 24/06/2024 in the conference room of the institute. During meeting, the member engaged in a comprehensive discussion covering the following points:

1. **Strategic Planning:** Discussions about the institution's strategic goals, progress made towards previous goals, and setting new objectives for the coming year or years.
2. **Policy Review and Development:** Reviewing existing policies, discussing any necessary updates or changes, and developing new policies as needed to ensure effective governance. To appoint suitable administrative, academic and other supportive personnel and to determine their emoluments and conditions of service, to evaluate performance appraisal and promotion eligibility.
3. **Operational Updates:** Updates on major projects, initiatives, and operational performance across various departments or units within the institution.
4. **Risk Management:** Assessing potential risks and how they are being managed, including discussions on compliance.
5. **Governance Matters:** Discussions on governance structure, board composition, succession planning for key leadership roles, and any governance-related issues.
6. **CEO or Institutional Leader Report:** A report from the CEO or institutional leader summarizing achievements, challenges, and the overall state of the institution.
7. **Evaluation and Feedback:** Evaluating the effectiveness of the governing body itself, gathering feedback from members, and discussing ways to improve governance practices.
8. **Future Planning:** Long-term strategic discussions about the institution's direction, potential growth opportunities, and challenges on the horizon.
