Equipped with advanced RFID technology

**LM** Dental Tracking System™

The image features a collection of dental instruments and tracking components. In the upper right, a blue box contains the 'LM' logo and the slogan 'feel the difference'. Below this, a black plastic tracking frame holds three colored instruments: a red one, a blue one, and a green one. To the left, a silver metal tray with a grid pattern holds a petri dish, a small white jar, and a blue-capped bottle. In the foreground, several dental tools are visible, including a pair of tweezers, a dental probe, and a purple-handled instrument. The bottom half of the image is a dark blue gradient with white text.
