

ZT X

BRING SOME PROFESSIONAL STANDARDS TO YOUR LAWN.

This is the residential lawnmower that's often mistaken for a commercial mowing machine. It's no surprise with its heavy-duty construction, professional features, and legendary Gravelly performance. When you have a ZT X on your lawn, your neighborhood will know you're upping your lawn game to the next level.

NEW X-FACTOR® 11-GAUGE FABRICATED DECK Inspired by our commercial machines, this all new 4 1/2 inch-deep steel deck optimizes airflow, and the reinforced sloped nose allows more room for grass to stand up ahead of the cutting chamber for our best cut ever on a residential machine. Caged anti-scalp wheels make your lawn less susceptible to damage from minor bumps and scrapes.

ONE-PIECE, FULLY-WELDED TUBULAR CHASSIS This all-new chassis displays strength and durability with its closed tube frame rails and fully welded construction techniques influenced by our commercial applications.

NEW TALLER AND WIDER SEAT WITH MOLDED ARMRESTS Ready for the long mow! This seat is 22" tall to provide more back support and is mounted on a taller seat base to make it easier to stand up and sit down. Molded armrests give your arms rest too.

HYDRO-GEAR® SERVICEABLE EZT® TRANSAXLES Serviceable transaxles have optimized cooling to ensure smooth running for years to come. New service ports allow oil changes to help extend the life of your machine.
