Achieve absolute simplicity and savings from day one.

EnviroX's Absolute Cleaning System delivers the fastest training and simplest system on the market—while saving you money. How? It's simple. **Replace your closet full of cleaners** with a single streamlined cleaning solution.

With our proprietary Pure Crafted[®] technology, you can **tackle 95% of your cleaning challenges with just 1 highly effective, incredibly versatile cleaning product.**

Use our uniquely powerful products with a complete line of easy-to-use dispensers that bring closed-loop cost control without annoying tubes or difficult refills. You can **instantly simplify** your cleaning program, reduce costs and get great cleaning results.

*"Using this product has allowed us to **do away with many other, more expensive products** that were simply ineffective and so often hazardous to use."*

- Tammy, Environmental Services

Simplicity.

- One product cleans 95% of your facility– reducing training and cleaning time while replacing expensive specialty products like glass cleaners.
- Easy visual training materials. No complicated walls of text here!
- Safer, healthier products are practically impossible to misuse*. Reduce surface damage and worker injuries while improving occupant health & wellness.
- Customize your system. Mix and match dispensers, products and package sizes to meet all your needs, no matter the size and scope of your cleaning challenges.

Savings.

- Incredibly versatile Pure Crafted® technology gives you more cleaning power while using fewer products, allowing you to replace and consolidate expensive cleaners.
- Hyper-concentrates deliver low in-use cost while reducing inventory, shipping and ordering frequency.
- Closed-loop dispensers & bottles means no more “glug-glugging.” Gain complete control over your costs.
- See how much you could save– ask your EnvirOx sales rep for your customized cost comparison today!

Easy Training.

- Train in Ten™. Our system is so simple to use, you can train your staff in less than ten minutes.
- Easy-to-learn system is built on colors and numbers to overcome language barriers and make training a snap.
- Fewer products mean quicker, easier training.
- Straightforward training materials included with every dispenser.

*Most EnvirOx in-use products, when diluted correctly, are safe on any water-safe surface. Use as directed.

Pure Crafted® products bring you one-of-a-kind cleaning power.

With our proprietary Pure Crafted® products, you can tackle 95% of your cleaning challenges with just 1 highly effective, incredibly versatile cleaning product. For the other 5%, our range of specialty use products have you covered.

Best of all, our products are safer, healthier and leave far less residue than typical cleaners. No more sticky surfaces that get dirty quickly and can harbor bacteria and viruses. Less worry about surface damage or worker safety.

This is the core of EnviroX's product development philosophy and our promise to you. Excellent cleaning results— with no harm to your people, your facility or your budget.

Hyper-concentrated formulas deliver incredible in-use savings.

Of Ready To Use Multi-Purpose and Glass Cleaner

Train in Ten™.

How can you train your staff quickly and easily when you have dozens of cleaning products? Eliminate the confusion with the Absolute Cleaning System's simple training.

- Number equals Product, Color equals Dilution. Those are the only two things you need to know to use this system!
- Color-coded illustrations show exactly where to use the cleaners— overcoming any language barrier.
- Training material included with every single dispenser.

Custom Solutions

- Mix and match training pieces for the product mix and facility you have.
- Custom training charts based on your individual facility are available upon request if our training library doesn't address your needs. We'll do the work, so you don't have to.

Pick One Product to Do 95% of Your Cleaning

Just one of our Pure Crafted® Multi-Purpose Products replaces:

- Glass cleaner
- Stainless steel polish and cleaner
- Neutral floor cleaner
- Restroom cleaner
- Carpet spotter
- Carpet cleaner
- Food degreaser
- Deodorizer
- Tile & grout renovator and much more!

Let us show you Pure Crafted® technology in action. **Ask for a demo on grout, glass and carpet.** Same product, 3 incredible results.

H₂Orange₂ Hyper-Concentrate 112 Sanitizer/Virucide Cleaner

Our premium, patented original formula combines cold-pressed **Orange Oil** and hydrogen peroxide to clean, deodorize, degrease and sanitize any water-safe surface.

Sanitizer

Kills 99.99% of common bacteria (Staphylococcus aureus, Salmonella enterica, Klebsiella pneumoniae, Pseudomonas aeruginosa, Streptococcus faecalis, and Escherichia coli).

Virucide

Kills 99.9% specified viruses (Herpes Simplex Virus Type 2, Influenza A2/Japan and HIV-1).

Green Certified Multi-Purpose Cleaner

Multi-purpose, neutral pH hydrogen peroxide cleaner with **Clean Linen** scent. Excellent deodorizer, glass cleaner, tile renovator and more!

Green Certified H₂O₂ Orange Cleaner

Multi-purpose, neutral pH hydrogen peroxide cleaner with cold-pressed **Orange Oil**. Excellent deodorizer, glass cleaner, tile renovator and more!

...then Complete Your Cleaning System.

Low-cost, high-volume floor cleaning.

Green Certified Neutral Floor Cleaner

Low-cost, high-volume, streak-free neutral floor cleaning with no sticky residue. **Clean Linen** scent.

Safer specialty cleaners.

Green Certified Industrial Degreaser

Heavy duty degreasing without the safety and environmental hazards. Low VOC's, neutral pH and safe on any water-safe surface.

EnviroX Non-Acid Disinfectant

Disinfection is a process not a product. Step 1: clean, Step 2: disinfect. Use Non-Acid Disinfectant only when broad spectrum disinfection is needed. A perfect disinfectant to pair with bloodborne pathogen clean-up kits.

Green Certified H₂O₂ Orange Tile & Grout Renovator

Major renovation power with reduced toxicity. Make your grout white again with the power of hydrogen peroxide and cold-pressed **Orange Oil!**

Green Certified Mineral Shock

Low-toxicity alternative to acid-based cleaners– and it works better, too! Use on tile, grout, stainless steel, porcelain and more. Biodegradable, non-corrosive, unregulated for shipping and handling.

Absolute™ Cleaning System bottles are patented under U.S. Patents D821,879 S, D822,492 S, D821,881 S, D785,457 S, D785,456 S, D788,587 S and 10,081,455 B2.

Absolute™ dispensers bring cost control & ease of use in small packages.

With state-of-the-art dispensers backed by DEMA® closed-loop technology, the Absolute Cleaning System fits any facility. We've specially designed the proprietary bottles and dispensers to work together seamlessly—simply dock the bottle and press the button to dilute! No more annoying hoses or screw-on caps.

Backflow

Each dispenser meets ASSE 1055-certified backflow prevention requirements.

Plug & Docking System

Eliminate product waste, cut costs and improve worker safety with DEMA® closed-loop dispensing.

Fill anything!

High flow and low flow through the same dispenser.

2 versatile dilutions in one small package.

Locking ring for filling auto-scrubbers.

Use foaming or spray head attachments for big jobs.

Absolute™ Portable

- One product, two dilutions, 95% of cleaning.
- Portable cleaning for small spaces and mobile teams.
- Ergonomic design reduces strain and handles easily.
- Use with sprayer or foamer to make quick work of restoration jobs.
- High value, low dispenser investment.
- Mix and match with wall-mounted units for specialty uses or additional portability.
- Reusable, high quality DEMA® construction.

Perfect for:

- Small closets.
- Teams with mobile needs.
- Specialty cleaning tasks.

Absolute™ Cleaning System

Easy color-coded system.

High & low flow dispensing for buckets & bottles.

Absolute™ Single

- One product, two dilutions, 95% of cleaning.
- Compact design: 11" x 19".
- Easy-to-use docking system eliminates annoying hoses and screw-on caps. Refill at the press of a button.

Perfect for:

- One product, 95% of all cleaning.
- Simple training & installation.

"It takes away all guesswork. It's a no-brainer!"

- Mario, Facility Manager

Absolute™ Multi

- Dispense a variety of products through one small dispenser– add specialty products for one-time renovation or create a complete system to tackle every challenge.
- Compact design: 11" x 19".
- Switch between products easily with no tubes, doors or screw-on caps to deal with.
- Get more out of your products; 5 dilutions available to cover everything from low-cost floor cleaning to serious renovation.
- Dock, Dial, Dilute™ – Easy to use, easy to train.

Perfect for:

- Replacing your four-product unit with a smaller dispenser that's simpler and easier to use.
- Sophisticated teams with a variety of surfaces to clean.
- Value buyers looking for versatility and cost control.

Dial in your exact dilution to tackle any cleaning challenge.

Easy access to water.

Use multiple products through the same dispenser; no need to buy a new dispenser for one-off cleaning challenges!

Locking dispenser prevents product misuse.
