

BLUEGRASS GREYHOUND ADOPTION, INC.
ADOPTION APPLICATION

It is the mission of Bluegrass Greyhound Adoption (BGA) to assure that each person who adopts a greyhound not only be aware of that responsibility, but that each person will be capable of and willing to accept that responsibility morally, physically and financially. The following questionnaire has been designed to aid both you and BGA in deciding if you and/or your family are prepared to assume the responsible ownership that we require for our adoptive greyhounds. The more information we obtain about your home and lifestyle, the better we can evaluate your needs and match a greyhound to suit your household. If there is not enough space for a particular question, please attach an additional sheet of paper.
