

## CELEBRATING 50 YEARS 1974-2024

In 1974, a group of Congregational Christian churches under the leadership of Pastor John Aulds, started a summer camp for young people. Over the last 50 years, many have come to know the Lord Jesus as their Savior at Camp Eunice.

Several of the camp leadership today were once young campers. Their heart's desire is to continue the legacy of Pastor Aulds by continuing to share the Gospel with today's young people.
