

Band Camp Fees

There are a few fees associated with Band. *Fees are due the first day of Band Camp.*

Shoes: Band members will be wearing a uniform shoe that will be purchased through the band office. These black "Showstopper" shoes are made specifically for Marching Band, and feature a very supportive athletic shoe-type construction with a rolled heel and flexible upper that encourage proper marching style. The shoes are \$30.00 per pair. However, if you cannot afford this, there are several pairs of used shoes in various sizes in the uniform room.

Band Camp: The fee for Band Camp is \$40.00. This will help cover the cost of additional staff for camp.

Uniforms: A cleaning fee of \$25.00 is being charged up front this year with no additional cleaning fees in the spring.

Gloves: Gloves are a part of the uniform. This year, they will be all black, and will cost \$5.00.

Lyre/Flip Folder: These items hold your music for you while you march. They will be \$10.00.

- We meet once a month in the Coldwater High School Music Department. The dates are on our calendars.
- We host fundraisers that benefit all of the bands with instrumental purchases, transportation support, food support, and band uniform support.
- We provide copies of letters sent home by the Band Directors directly to parents
- There is potential for much growth in the Boosters, but more participation from parents is needed for that to happen. You are welcome to attend our meetings.
- Uniform fittings will take place during 4-H Fair Parade Rehearsals, Percussion/Color Guard Camp, and Band Camp. We need volunteers to help on those dates. Volunteer scheduling is flexible.
