

COLDWATER BANDS SCHOLARSHIP FUNDRAISER

Learn, March & Play.

BAND STUDENTS ROCK!

Band students have a lot of fun while they are learning the important skills of leadership, self-discipline, music theory, and instrument techniques. Unfortunately, not all students can afford some of the associated costs that come with this academic class. The Coldwater Band Boosters has established a Scholarship Fund that is available to students who demonstrate a financial need and commitment to Band.

Make a difference in a young person's life by making a charitable contribution to the Scholarship Fund. It's easy to make a contribution, just go to www.coldwaterbandboosters.com

Click on the "Donate" button, and make your donation. You'll be given the option to add a note to your contribution to write in "Scholarship Fund". Your donation will be added to a designated bank account used only for scholarships.

Associated costs for Band can include music workbooks, uniforms, gloves, marching shoes, lyres, and Band Camp fees. Your donation will help retain band students in the band program.
