

All Secondary Water Users

Please be advised that from May 1, 2026, to October 15, 2026, you may experience:

- **Low Pressure:** Increased system demand combined with low supply will result in reduced pressure during peak hours.
- **Delays in Delivery:** Due to low reservoir levels, there may be delays in initial filling or temporary shutdowns if supply is depleted.
- **Early Shutdown:** Secondary water may be turned off before October 15th if usage exceeds available allocation.

Conservation Measures & Restrictions

- **Delay Lawn Watering:** Do not turn on sprinklers until after **May 15th**.
- **Restrict Watering Times:** No landscape watering between **10:00 a.m. and 6:00 p.m.**
- **Reduce Frequency:** Reduce outdoor watering.
- **Turn Off During Rain:** Turn off automatic sprinklers during rain events.
- **Check Systems:** Repair all leaks immediately.
- **Water Wise:** Prioritize watering trees and shrubs over turf. It is acceptable for lawns to turn brown.
- **Report Waste:** Report water waste.

We appreciate your cooperation in helping to extend our limited water supply.
