PERFORMANCE CHALLENGE OVERVIEW VIDEO

20 videos curated
towards performance

"Can I double up on classes?"

"Will this challenge actually
improve my performance?"

"What
should I
expect?"

"How do they define
performance? What
is the optimal HR?"

"I hope
they tell me
what to do"

"Do I have to do
the videos they
assign me?"

"What is my fitness
goal"

"Can I really do
30 mins a day
for 30 days?"

"Wow, there are
so many classes
for performance.
But where do I
start?"

"How should I
measure my heart
rate?"

How poor nutrition hurts your
performance & what you
should do RIGHT now.

"30 mins isn't
fitting into my
work
schedule well

"Why a combination of both
modalities improves your
performance" (Courtney)

"This feels like a
big commitment"

Completed 7
classes

"I feel great, a little tired & sore, but I
feel I got a good routine going"

"I almost
didn't get up
in time to
workout this
morning..."

Completed 14
classes

"I haven't tried
a CycleBar
class yet, I'll
borrow my
friend's bike
and try it out."

"I'm short on
time today, I'll
try a recovery
class"

How a weak core ruins your
performance & the best
way to activate your core
everyday (Millie)

"Start of week 2, I
love PB but I am
going to try
something else"

"Start of week 3, I am pretty
sore but my habit is building"

How personalization improves
your performance & how to
personalize your routine better

"I'm a little
bored with the
same few
workouts, what
else should I
do?"

"Strength & HIIT have
been great, but I
need a recovery day
to focus on my hips &
shoulders"

"My resting heart rate
is starting to go
down, I think that is
good."

"I have already
done all the
videos I can in
the challenge,
what's next?"

"30 mins feels too
short now, I want to
try a longer
class...what should I
try?"

Completed 21
classes

"After 21 classes, my
heart rate feels more
controlled throughout
the class"

"Turns out PB
classes are more
challenging
than I
thought they
were!"

Completed 30
classes

"I like curated
challenges,
looking forward to
the next one!"

"I never thought Y6 classes would
be tough enough for me"

"9 more classes to go!"

Last Stretch Motivation
Video

"Start of my final week, I am pretty close
& I'm starting to feel more confident in
my performance"

Success Measurement

More restful sleep/better quality
(Sleep score better than 75)

RECOVERY CHALLENGE OVERVIEW VIDEO

"Can I stack a recovery class with another goal class?"

"Are recovery classes challenging enough for me?"

"How do they define recovery?"

"I hope they tell me what to do"

"Do I have to do the videos they assign me?"

"What is my fitness goal"

"Can I really do 30 mins a day for 30 days?"

20 videos curated towards weight loss

"How should I measure my own results?"

How to use nutrition to speed up recovery

"When is the best time to do recovery classes?"

Who should be doing low intensity & how much high vs low intensity? (Brittini)

"This feels like a big commitment"

Completed 7 classes

"I feel like I am building towards a manageable routine."

"Wow, there are so many classes for recovery. But where do I start?"

"My flexibility is improving with all the recovery classes"

"I have more time today, I think I'll try a performance class"

How to improve your hip mobility & prevent from over training during this challenge? (Kelsey)

"Start of week 2, I haven't notice too much change on my sleep"

Completed 14 classes

"I haven't tried a Row House class yet, I'll go to a gym to borrow a rower"

"I have already done all the videos I can in the challenge, what's next?"

Completed 21 classes

"After 21 classes, I feel good & my sleep is improving"

"Start of week 3, I notice I'm getting more deep sleep now"

"Is 5 mins enough time at this stage? Is it enough to improve my flexibility?"

How to personalize your hydration & why that would benefit you during a 30-day challenge

"I'm a little bored with the same few workouts, what else should I do?"

"30 mins feels too short now, I want to try a longer class...what should I try?"

"StretchLab classes are more helpful than I thought they would be"

"I never thought CP Mat Flow classes can be challenging"

"9 more classes to go!"

Last Stretch Motivation Video

"Start of my final week, I am feeling more rested & my body is less beat up"

Completed 30 classes

"I like curated challenges, looking forward to the next one!"
