President's Report

by David Cardinal

The convention in Wichita is over with great memories. A large number of New Zealands was shown from all parts of the country including Canada.

Talking with our Judges, the quality ran very deep back into classes in all the varieties. It was good to visit with old and new breeders.

John Neff came over to me while I was Judging the Mini Rex and told me the great news that I won Best of Breed. I wish I was there to watch the Judging, as it is a great feeling winning a show this large. Then on to win Best of Group, was an over whelming experience.

I what to thank Robert Crawford, for selling me his Sire, the last year Best In Show winner. The genetics are in the blood lines. You just have to work hard to keep it going he always tells me. I believe he is exactly right..

Maybe next year can be your year.

Our Banquet was a good success with good food. This year we honored Larry Snaveley, we went around the room as everyone introduced themselves, and mentioned some kind of statement or story about Larry. It was good humor with lots of friendship and we honored him with the Outstanding Member Award, the highest award in the New Zealand Federation.

Larry is not just an outstanding member, he is a great friend and a great rabbit breeder. He is there to make you laugh and helps you forget sometimes.

If you know any member that deserve this award please get ahold of Arnold Schmidt and let him know.

We had a great turn out at the General meeting. We discussed some changes to the Constitution and some name changes in the Standards Committee, so look for those in the future as Tony Bell is prepping that for us.

Gordon Fry a New Zealand Federation icon came to the meeting this year. It was great to see him. He brought old photos of other New Zealand Icons. It was sure great to meet him again after all these years. He signed me up as a member before Harry Rice,

At the ARBA Banquet they had dedicated the show to three Gentlemen Bobby Walker, Stan Pulliam and one of our own icons, Fibber McGehee. There

families were invited and some photos were shown. I met with Fibber's daughter and his two sons. One looks just like Fibber and one sounds like him. Sure was nice to meet with them and catch up on some of Fib's stories.

After helping Al with the blues, they didn't pass this year. So, Al has to go work a little harder as now he knows all the rules as the Standard Committee met with us. We will see what Al has for us next year.

I'd like to welcome all the new officers to the board John Neff Secretary-Treasurer, Directors Sue Boarden, Tony Bell, Arnold Schmidt, David Klindt.

Don't forget the Spring National All New Zealand show in Jefferson Wisconsin, April 19-21, 2013. We sure can use some more specials. Hope to see you all there. Bring lots of New Zealands to make our Judges work and help support the show.

The 2013 ARBA Convention will be in Pennsylvania. Rick Shipe and Bruce Himmelberger are our breed Co-Chairperson,

Have happy Holidays

Dave

*Congratulations, Dave

Secretary-Treasurer Report

by John Neff

Wow, I for one had a great time in Wichita. I would like to start off by congratulating all of our Winners. In Youth, BOB Caleb Taulbee with a White 6-8 buck, BOS Thanet, Julia & Caroline Lawrence with a White Sr. Doe. Matthew Boes had Best Meat Pen. In Open BOB David Cardinal with a White 6-8 buck & BOS was Dean Sindors with a White 6-8 doe. David's White 6-8 went on to be a Group Winner. This buck was out of last year's BIS Winner of Robert Crawford, what an awesome story...

I want to thank everyone who worked so hard @ the Convention, in the booth, carrying rabbits and writing for the judges. So much goes on at these shows and our great members step up to handle these jobs. A Big thank-you to Larry Snively who served as our Breed Chairman, the Klindt's & Benker's for donating the great animals to our raffle and the members who donated all of the beautiful NZ's to our auction. Please find the auction details elsewhere in this issue of the Times...

We had a very good Board & General Meeting. The minutes of both meetings are also printed in this issue.

The week in Wichita concluded with our Banquet. I thought this was one of our best banquets, and other than running out of desserts, the food was very good. We had the pleasure of honoring Larry Snively with the Outstanding Member award and even roasted Larry with many great stories of our good friend...

With Wichita behind us, it's time to focus on our Spring National in Wisconsin. Our President, David Cardinal is hard at work on this show. Please watch for details on both the website and future issues of the Times as they become available. Mark these dates down and start making your plans to head to Jefferson in April...

Rick Shipe has our Host Hotel in Harrisburg for the 2013 ARBA Convention and is also working on the banquet, thanks Rick...

Before I bring this to a close I want to "THANK" all of the Members, Officers & Directors for the overwhelming support they have given to Julie & I. We try to do our very best for the Federation and we truly appreciate hearing from you all.

Now it's time to bring this to a close and I hope you all have a Great Holiday and the Very Best in the New Year ahead.

John

Director Report

by Tony Bell, TX

Hi Folks,

First of all I would like to thank those of you who took the time to vote for either of the two of us who ran in the election. With this being the first time we have had an actual vote a larger response would have been nice, but thanks again for those of you who did respond. Hopefully next year Mark will run again. Also, if we can get more people to fill in petitions there can be more people on the ballot.

Our prayers go out to the people of the Northeast, especially any of our members that may have been affected by Hurricane Sandy. Nature is one of the more difficult factors that we have to deal with.

I will still be working on the issues that are brought up with the Constitution and By-Laws as well as the Rules that govern several of the activities of the Federation. The recommendations that were made at the last membership meeting are almost complete and I'm working on another couple of changes that have been requested since. Please feel free to contact me with any ideas or suggestions you may have. The changes should be ready to be published in the next New Zealand Times.

One thing that struck me at the Board and membership meetings was the misinterpretations of some of the proposals. If there are any question about what is being presented I will be happy to answer them. When I write the changes that are requested all I try to do is translate the desires of the Federation into language that is consistent with the Constitution and By-Laws as they currently exist. When it comes to voting, the outcome is up to the membership and if it isn't passed that is fine with me. I only want to make sure that the intent and possible outcome are understood correctly.

May you have a successful Winter show season and many babies in spite of what Mother Nature throws at us.

Take care,

Tony

Director Report

by Pete Basgil, TX

We had a good time at the convention seeing every one and getting the chance to visit with our friends. Congratulations to David Cardinal on his taking BOB and then getting best of group.

It is good to have New Zealand's in the top and competing for best in show. I want to thank those of you that helped out during the show. People were selling tickets in the booth, carrying rabbits setting the booth up and so on. It makes it a good show and fun when people pitch in and get it done.

I want to thank John and Julie Neff for all of the work they do for the club. They work hard to keep the sweepstakes points up to date. Then making sure they get to the show with ll of the sweepstakes plaques. I know what kind of work just the treasures' job is because I've done it for the past seven years for our local club. And Lori has done the show secretary job for several years also. I appreciate the help we get from you both.

I want to thank Bruce for the article he put in the Times. In fact we just went back and re-read it then I called Bruce to find out more info on the Ag Boy fans that go above your cages to help with the summer heat. He says 1 fan will cover 300 square feet for about \$90.00. That's a deal since I have some 30 inch drum fans that cost about \$180.00.

We look forward to seeing you at the National in Wisconsin this spring. David is taking ads for the catalog and money for the specials you want to place. Just contact him directly. His info is in the Times. Lisa thanks for your help in collecting the donations at the banquet and those of you who gave so generously.

Happy Thanksgiving to you all and a Merry Christmas to each and every one of you and your family.

Take Good Care,

Pete

As I write this (Nov. 11) Winter has set in. It is most welcome after the hot dry summer that we have all experienced. I woke up to a couple of inches of snow this morning. This is the most

moisture we have had since the first week of June.

The convention is over and it was a great time. Congratulations to all who showed the great New Zealands. Classes were deep with many that were in the middle of the class were only lacking in fur or slight flesh condition. Those same ones could very well be the winners in a few weeks. Any way I have them locked away for the winter. I have bred several does since I got home so hope to have lots to choose from for the late spring through next fall shows.

When I got home I was saddened and angered with a letter that had arrived while I was at convention. Saddened that someone is sending unsigned letters that threaten one of our officers. A threat is an offense and since it was sent through the mail it is a federal offense. If the person is identified (there are ways to find out) she/he could be doing some hard time and at least be put on probation by the Federation and also ARBA. If you have a gripe, be person enough to go to the person and get it straightened out..With all the outside pressure we get from extreme groups we do not need inside hassles. Let us build a bigger and stronger Federation.

Hi New Zealand Friends
What a great job the Wichita people did putting on the convention, considering all the rabbits and covies that were entered. They had to utilize every inch of space that could hold a cage. I even noticed that they did not run out of feed or shavings, there was enough right up to the end. That is quite feat in itself. Very nice rabbits were on hand. Our New Zealands were great as usual. Congrats to all the winners.

I would like to personally thank our Federation Secretary John Neff. He and his wife Julie do an outstanding job for us. Unless you have had a position like that the average person doesn't have a clue the amount of time it takes to do the job. It just isn't taking care of the memberships, but keeping track of all the sweepstakes business, as well as all of our patches, shirts, etc. Thank you John and Julie!

The northwest is still seeing a nice number of New Zealands being shown in our fall shows. Our quality is on the rise. We have several red New Zealand breeders now. We will have to watch out before long they will be beating the whites and the blacks.

Everyone have a good holiday season. Hope you nest boxes are full for spring show juniors.

Congratulations to all the winners at the ARBA convention held in Wichita, Kansas. Top honors in the open went to D. Cardinal BOB and D. Sindere BOS and C. Taulbee BOB and the Lawrences and Law BOS in youth.

Fall shows in full swing with local clubs putting one on about every weekend somewhere in the tri-state. Not a lot of New Zealands shown here in Kentucky. Just a handful at most shows and even less in youth.

We lost another pioneer of the breed with the passing of Randolph Dude Bagby of Evansville, Indiana in November. He will be missed by all of us. Looking forward to seeing everybody real soon.

Thank you to John Neff. You do a great job! I enjoyed hanging out at the booth during the convention.

Thanks to Larry Snively also. He was our breed chairman for the New Zealanders at Kansas. Congrats for receiving the outstanding member award. We roasted Larry at the banquet too.

Congrats to all winners. I got pictures of Open winners, so if anyone had Youth pictures I hope they sent them to Dick Gehr.

David has a new grand baby.....congrats!

Grandkids are so great. Gunnar had a blast showing and was a good helper, right Larry? It only cost \$5.00!

Well, 'til Spring.....

Well another ARBA convention is behind us. I may have said that last year's convention in Indiana was the best ever but I will now have to give this year in Wichita an A+. Here are a few reasons for this being another great convention.

First, David Cardinal's New Zealand came close to taking the coveted BIS by winning his group. The rabbit was beautiful and represented our breed just like last year's New Zealand. Congrats to David for a great win.

Number two, thanks to all exhibitors for the amazing number of New Zealands shown. The quality of animals that came across the table were top notch. Our judges were challenged in every class. I want to thank them for all their hard work.

Number three, thanks to all our members who helped in any way. We have a great group of people that are always willing to lend a hand where needed. John Neff, our very hard working secretary takes care of all the basics that need to be done before, during and after a big show like this. I wish you could all know the work that is done all year to prepare for conventions. I think most of our membership appreciates that we have a secretary who truly cares about this breed and serves us well. Thank you John and to your helpmate, Julie for all that you do for this club.

Number four, Larry Snavelly was awarded the Outstanding Member of the year at our banquet. Larry has served this club for so many years and this award is long overdue. Paul and I are privileged to call Larry a friend and it was especially great to see him receive this particular club award. Congratulations Larry!

Looking forward to our next National show in Wisconsin next April. Our President David Cardinal will keep us updated on the information you need to make your plans to attend. Our next convention is back where Paul and I started our rabbit habit, our home state of Pennsylvania. Our first convention was York, Pa. back in 1976. We are looking forward to our return there as it holds special meaning for us both.

Finally, thank you for allowing me to serve this club again. I will do the best I can to serve this membership and this breed. I have always asked our members to contact me with anything that you thing will benefit our club in a positive manner. My e-mail address is listed and I hope you will contact me with your concerns or suggestions.

Fall is about over and Winter is approaching us fast. That is all we really wanted to hear isn't it? I hope all our members of the East and Northeast survived the Hurricane Sandy without much damage. This weather is really changing in different areas.

I would like to congratulate all the winners in Wichita. I heard there was a good turnout of New Zealands. I hope everyone had a safe trip to and from the show. Hope to see everybody in Wisconsin in 2013. Happy Holidays to everyone.

Hope everybody had a good time in Kansas. Sounds like there was a really good N.Z. showing with lots of good quality rabbits as always. I was unable to make it because we had a stretch of rainy weather for a week and a half before we were ready to leave for the nationals and the weather turned good a day before I was ready to leave. I stayed home to help finish the harvest so Sara went to Kansas and showed the rabbits. Congratulations to Dave Cardinal for winning BOB and for Dean Sindors for winning BOS.

Now that the nationals are over the late fall show season is really heating up. We just had our clubs fall show on Nov. 11 with a very good turn out of rabbits. Have another show to go to in Peoria Ill. then we are heading to Sedalia Missouri for the state convention on the first week of Dec. That is always a very good show with a large number of N.Z.'s. Since I missed the show this fall I am really looking forward to the spring national in Jefferson Wisconsin. By now the Jr.'s should be in the nest box so good luck to everyone this winter.

OUTSTANDING MEMBER AWARD

Randolph "Dude" Bagby

Dude on left, and partner Wally Zahn on right

The rabbit industry has lost again another great legend with the passing of Randolph "Dude" Bagby! After receiving the news, wonderful memories came to mine as when I first met him and his show partner Mr. Wally Zahn, at a show held in Terre Haute IN, it was the spring of 1967. I'll never forget him getting upset at Wally as I introduced myself to them and while Wally was being polite and taking the time to answer some questions, I couldn't help notice Dude chewing the hell out of a piece of gum and was busy spitting in his hands and rubbing there entries down, as he was getting them ready to put on the show table and he finally looked up at Wally and ask him if came to talk or show rabbits? Wow, I thought to myself, this man is sure intense about showing his rabbits and that was a really profound moment for me. But as I learned the game of showing rabbits at a young age, the top breeders back then, seemed serious and about showing there rabbits and I felt if I wanted to be good at showing rabbits then I would have to plan on being the same. As I got to know and visit them both, I learned that they where very different outside the show room! Dude was a real gentleman and always respectful when I would visit him, a family man, avid gardner and a true rabbit visionary! His New Zealand White's where tight skinned, hard bodied with beautiful, dense plush coats! He was one of the true masters of getting them in condition and as a matter fact I've heard more than few times a judge refer to stroking a rabbits fur while giving remarks and committing that it felt like that "Bagby fur". Meaning it doesn't get any nicer than this folks! He would tell me faults to him where heavy dewlaps and lower skirts around the base of the hindquarters telling me it looked sloppy and those animals would usually ended up being soft in body! Cull hard and then sit back and watch them, he would tell me, because they will change on you, he would say with a grin! Dude was very proud of his rabbits and he had every reason to be...

I can still remember back in the 60's and if someone would have asked you who you thought the top ten rabbit breeders in the country at the time, most would have answered several of the New Zealand breeders, but always the name Bagby would always be at top of the list and through the years that didn't ever seem to change! More than once I've heard breeders ask "Fib" who he most worried about competing against and every time he would answer "Bagby" without any hesitation! Wally told me one time that it took Dude five years to beat Harry Rice on the show table when he first got started and after that he never looked back.

Since the news of his death, and while speaking to other breeders about some of there past memories of Dude over the years they have all had there favorite stories to pass on, Randy Shumaker spoke of the time in 1989 Tulsa convention where Cindy Wickizer was picking best 6 class and Dude was standing at the end of the show table and Cindy pulled out the Giant Angora and instead of placing it back in a holding coop she just handed it to Dude to hold for her why her attention went back to the rest of the winners. He said the look on Dudes face was priceless as he stood there holding this giant ball of wool with a discussed look on his face. I remember reading after Fib past on, that Manuel Hidalgo wrote and reminded us that even though Fib had won four BIS ARBA National Conventions, that both Fib and B&Z rabbitry each won three each with there NZ whites and seven times each Best Of Breed! The most told story I've heard from judges and breeders over and over in resent years was dating back to the 1990 ARBA convention held in Tamps FL. where they had first and second intermediate does, the first place belonging to Wally and the second place belonging to Dude and it been said by several judges those does where the best they ever seen! Caleb Thomas recalled that he judged the Silver Martens that year and Tex Thomas won Best Silver Marten with a doe that Caleb thought was exceptional and she ended up winning Best 4 class. Caleb was voted to pick the Best six class and he picked B&Z's doe for Best six class and he knew that Doc Reed who was going to be picking for Best in Show would have his hands full with the two rabbits he had to pick from as Caleb felt both animals where as nice of animals as you could hope for to represent the ARBA. Now we know now that Doc picked the New Zealand and gave B&Z rabbitry there third BIS in a short span of just seven years! Now according to Glen Carr he was judging a show in Georgia a few weeks later after the convention and was judging the New Zealands and came across a really hot NZ white doe and he assumed that it was the was one of those does from the convention and afterwards he asked Dude if that was the doe from the convention and Dude responded by telling Glen that this was

her litter mate and she wasn't at the convention as she wasn't quiet ready! Glen tells the story that she was probably the best rabbit that he's ever touched! Now this is just one of many great wins and stories from a man who was a member of the ARBA for over fifty years, and if you where lucky enough to visit his rabbitry or judge his rabbits through the years you knew you where in the presence of a true rabbit genius! He was truly respected by rabbit breeders all across the country!

He had a long and wonderful friendship with his showing partner Wally Zahn for many years and I always felt that they had the up most respect for each other and it always seem to show when you where around them. It's hard to think about one without thinking of the other. Both of them are in the AFNZRB hall of fame as they more than deserve to be! But I've always felt if it wasn't for rabbit breeders like Mr. Bagby, that dedicated there lives to breed and improve the quality of animals that they achieved through the years, we wouldn't have the quality rabbits that we see on show tables today!

On a Personal note, Dude was married to his lovely wife Lurlene for seventy years and they had three wonderful children Diane, Randy and Vicki. Six grandchildren and thirteen great grandchildren and one on the way. I have to say that Dude lived a fulfilling wonderful life! Thanks Dude for all the great memories...
