President Report by Sue Borden

The Pa. New Zealand Rabbit Breeders finally realized a dream this year when they hosted the 41st national New Zealand show in Leesport, Pa. The show was dedicated to Judge Sam Rizzo a longtime member of the New York New Zealand rabbit breeders. New York and Pa. New Zealand rabbit breeders have for many years been joined together to promote our breed . Many Pa. breeders have belonged to the New York club , including Paul and myself for many years at the beginning of our rabbit career. The New York club with Sam's blessing has passed the torch to the "Keystone(Pa.)" club now, since most of the New Zealand breeders are now in Pa. instead of New York. The Keystone club was formed so the New Zealand rabbit breeders could continue the tradition that New York had done many times and put national show together.

Great job Keystone rabbit club members! The show was well run and attended with some very deep classes of quality animals. The New York nationals were always known for their great banquets and the Keystone club did not disappoint. I'm sure everyone who was there will agree that thanks to Rick Shipe and family the banquet was one of the best ever. Congratulations to Robert Crawford for BOB with a great 6-8 white doe and Paul Grundtish's senior white buck taking BOS. Thanks to all the exhibitors who brought their best to show . The classes were as deep in quality as I have ever seen . All the placements will be listed in this Times. Thanks to all of the judges for the great job they did. They had their work cut out for them .

The minutes from the board meeting will be printed in this issue . Please take the time to read the business of your club. If there are any questions please know you can call or e-mail me anytime.

The Texas new Zealand club is looking forward to hosting next years National in Ft. Worth. The information for that show will be listed in the Times and on the website. The Texas club is looking forward to hosting the 2012 show and

will make you all welcome. Your board awarded the 2013 National show to David Cardinal and the Wisconsin New Zealand club. The information for that national will be listed in future issues and on the website.

A new guidebook is being planned with a print date this summer. We hope to have it out and in your hands Indiana convention this fall. Please note the ad information and deadlines in this issue. The ads in the guidebook are our primary source of paying for the printing and so we need your help and support to make this the best guidebook ever. If you need help with an ad or have any questions contact Rick Shipe or Dick Gehr . They will be glad to help you out. I have asked all my officers and directors to solicit ads for their areas so we don't miss anyone. Remember this is a 5 year booklet and reaches a lot of people. Rick Shipe and his committee are looking for a few new articles , so if you can share any information about raising our breed , write that article now. We need articles for new and experienced breeders .

The Indianapolis convention will be here before we know it so if you haven't made those reservations , do it now. This convention could turn out to be one of our biggest. We are planning for a big show and hope everyone turns out with your best. The middle of the country usually brings in the numbers for all breeds and we hope that for our New Zealands that holds true. We will have a great pair of rabbits , thanks to Paul Grundtish, to raffle off . The money from the raffle helps to support your club and we have been very lucky over the years to have some quality animals donated .

So in closing , keep those bunnies cool and we will see you in Indy. I remain available for anything for the good of this club and the promotion of our breed.

Vice-President Report

by
Dave Mangione

The New Zealand national show hosted by the Pennsylvania New Zealand club was a huge success this past Easter

weekend. Breeders from across the country showed up to support the show enjoying great competition and fellowship during their weekend stay in Leesport, PA. In my opinion this national show was one of my most enjoyable shows during my show career. During the show I observed a very relaxed atmosphere in combination with a continuous socializing and conversation amongst the exhibitors. The quality of the rabbits exhibited was outstanding and a big congratulation goes out to all the winners in the youth and open show. Congratulations and a big thank you to the Pennsylvania breeders for all their hard work and dedication to this great hobby.

It is time to publish our new New Zealand guide book and with this publication comes an opportunity to place an Ad to advertise your rabbitry. Advertising by our members really helps to defray the cost of publishing this book so please consider placing an Ad in our new guide book. Refer to our last edition of the New Zealand Times or go to our New Zealand web site for details.

Looks like our National New Zealand show is heading to Wisconsin for 2013. Thanks to David Cardinal and the Wisconsin New Zealand breeders for submitting a bid. But before we head to Wisconsin, our fellow breeders in the great state of Texas will host the 2012 event. They say everything is bigger in Texas and I know Pete Basgil and all the Texas breeders will have a grand National prepared for our arrival. Pete Basgil is collecting specials at this time so please contact Pete and donate a few dollars to support this show.

Last but not least, please drop me an e-mail, mangione.1@osu.edu with a topic related to rabbits, that you would like for me to write about in one of the issues of the New Zealand Times. I hope everyone has a great summer. I look forward to seeing everyone in Indianapolis this fall.

Secretary-Treasurer Report by John Neff

I want to start this report with a "BIG" thank-you to the Keystone NZ Club and all of its members for giving us a "GREAT" National. In my opinion it was one of the best shows I have been to, I just wish I could have shown some animals... From what I could see, the quality level was terrific. Some of those classes were so deep; the judges really had to be at their best. Congrats to all of the winners, once again Bob Crawford led the way with some beautiful animals & Paul Grundtisch also had a strong showing. You will find a complete list elsewhere in this issue of the Times. The show, animals and judging was something for us all to remember and so was the "Banquet"... Awesome food and plenty of it.... The only question I have is, PA when are you going to do this again?

Also, in this issue of the Times you will find the minutes from our BOD meeting and the results from the auction. Thanks to all that donated & purchased animals for the auction. We all know how important these auctions are for the Federation...

One thing that was decided at the meeting was the vote & approval of the 2013 NZ National going to Wisconsin. Thank-you David Cardinal for the excellent proposal and we will all look forward to our trip to WI in 2013. Remember, no snow...

Another important topic to the Federation at this time is the printing of our New Guidebook. In the Times & on the website is the information to place an ad, please get the ads sent to Dick Gehr & ad payments to Rick Shipe. You will notice there is a July 1st deadline; also don't forget articles. As with any publication, it's only as good as the information that is received.

Pete Basgil gave us an update for the 2012 National in TX. It sounds like they are getting ready to welcome us again. It was a great National the last time we headed to TX and next year will be no different. There is info in this Times and on the website, watch for updates as time gets closer...

As I write this article, it's already in the 90's. I hope I get the animals through the summer and ready to compete in Indy. Al Esterline has

been working very hard to make our stay in Indy another Convention to remember. Thank-you Al. Arnie & Sue Schmidt will be working on the booth, so be sure to let these hard working members know how you can help...

One thing I hope to have in Indy is some club apparel. I get quite a few requests about this & I think it's time that we offer the members items to showcase our breed. Look how good the t-shirts that Lisa made were received. Sue & I have talked about this, so please watch for details...

Before I close I want to address something that I wrote in my last article. I made mention that we may be ready to step down as the Secretary-Treasurer of the Federation. Nowhere did I say we are going to quit, we just wanted to let the members of the Federation know that this was a possibility. We will not leave the Federation at anytime unless there is someone ready and "willing" to take over. With that being said I want to Thank-you for the overwhelming support that Julie & I have received, it is greatly appreciated...

Well I guess it's time to bring this to a close and get it off to Dick. Remember the Guidebook, and please step up to help in Indy...

John

Hi everyone,

Tony Fortney has passed along the following information.

Pleaz Kirby has had quadruple by-pass surgery. According to Jane, his wife, he is doing well. Please remember him in your prayers and perhaps with a card. I'm sure he would appreciate a note from all of us as he goes forward with his recovery. I know we all wish him well.

Thanks, Sue

2011 – BOD Meeting @ NZ National

Leesport, PA - April 22, 2011

The meeting was called to order by President Borden @ 5:45 pm

Roll Call of Officers-President Sue Borden, VP Dave Mangione & Sec-Treas John Neff present.

Directors Present-Pete Basgil, David Cardinal, Bruce Himmelberger, Lisa Jennings, Larry Lunz, &

Fred Saputo.

Directors Absent-Jean Harris, Wendall Tisher, Tony Fortney, David Klindt, Mark Manglberger & Arnie Schmidt.

Reading of the Minutes-A motion was made by David Cardinal, 2nd by Pete Basgil to approve the minutes as printed in the Times. Motion passed.

Report of Officers: President Borden read the reports of several of the absent Directors.

VP Mangione gave a report on the Convention Judges. There is some concern on the health of one of the judges for the 2011 ARBA Convention. President Borden said she would contact this judge and try and get an honest evaluation of the judges health. VP Mangione is going to check on the availability of the judge we have on stand-by.

Sec-Treas. Neff gave the financial report as follows, \$5655.77 in checking, \$5127.14 in Savings (Scholarship) and \$1562.50 in a CD (Guidebook Fund). Motion to accept report made by David Cardinal 2nd by Lisa Jennings. Motion passed.

Sec. Neff reported everything appeared to be going better with the Sweepstakes system since the final updates made by Dick Gehr in the fall. A letter rec'd from the Kentucky State RBA in regards to the 2013 NZ National. There will be a Mini Convention held in KY and they wanted to include the NZ's. Director Cardinal pointed out that in our National Show Guidelines our Nationals must be put on by State or Regional NZ Specialty Clubs. Sec Neff reported that he would send a letter/email to the KY Club to let them know of this rule. Sec Neff also reported that we need to pay attention to the "Times" deadlines. These deadlines are printed in the Times and we must try and get all info to our Editor, Dick Gehr by these dates. Too often Dick has been waiting for articles, etc and this then makes the Times late getting to the printer. The only time that

these dates should be extended is possibly after the ARBA Convention.

Director Basgil gave a short report on the NZ numbers in TX and then talked about the 2012 National in TX. Pete passed out a flyer with details on this show.

Committee Reports: Director Cardinal gave a brief Standards Committee report and a copy of the items missed in the "New" ARBA Standard of Perfection was passed out.

Awards Committee: Chairman Arnie Schmidt was absent. Committee member John Neff reported on two names for the Hall of Fame and one name for Outstanding Member. Motion made by Fred Saputo, 2nd by Larry Lunz to accept these names. Motion passed. Awards will be given @ the ARBA Convention.

Judging Process: Director Jennings reported on how the BOB/BOS selection will be done at this National, as well as all future Nationals & ARBA Conventions. Motion passed.

New Business:

National Shows-President Borden was looking for ideas to try and get more attendance, etc to our National Shows. Items discussed, location, on-line entry & holding in conjunction with other Breed Nationals.

C&BL- Director Jennings asked about getting the Term Limits changed? After much discussion this was tabled for further discussion. Changing the number of Directors that the Federation has was also discussed, this too was tabled. Sec Neff reported that he has been asked about our "Dues" structure. Some clubs give a discount for multiple year renewals. The Federation has not recently raised it's dues and after some discussion it was decided to not change our membership fees @ this time.

Sec Neff reported in the last Guidebook, on page 29 "Rules for National New Zealand Shows that Rule # 8 was wrong. This will be corrected for the new Guidebook.

Rule #8. The Federation shall not issue a show sanction to another club for the same dates as the National New Zealand Show.... At the 2003 General Meeting in Wichita, KS it was discussed and voted on to change this rule. It should read as follows.

Rule #8. The Federation shall not issue a show sanction to another club for the same dates as the National New Zealand Show within a 300

mile radius of the National Show Site...

Guidebook: Chairman Rick Shipe gave a report on the progress of the "New" Guidebook. Ads have been coming in slow. Pres. Borden urged all Directors to go through the old Guidebook and look at ads from their area and try to get these ads renewed. Rick also reported on some of the quotes received by Dick Gehr for printing. A motion was made by Director Cardinal, 2nd by Director Himmelberger to accept the bid from M&D Printing for 1250 copies. Motion passed. Sec. Neff brought up the cost of Artwork/ typesetting, etc of the Guidebook. In 2006 this fee was \$2900.00+ and in 2001 the fee was \$1500. A motion was made by Director Cardinal, 2nd by Director Basgil to pay \$1200 to Dick Gehr for his work on the New Guidebook. Motion passed.

*Bids - 2013 NZ National. David Cardinal submitted a bid for the Wisconsin NZRBA to host the 2013 National to be held in Jefferson, WI. After some questions & discussion a motion was made by Director Jennings, 2nd by Director Basgil to accept the Wisconsin bid. Motion passed.

Motion to adjourn made by Director Jennings @ 6:35.

*The BOD knew that Director Schmidt was

going to submit a bid for the Illinois NZRBA, but was not able to attend the meeting. On Saturday morning 4/23/11, Pres Borden, VP Mangione & Sec Neff reviewed the bid from Illinois. The decision was made to stay with the approved bid of the Wisconsin NZRBA for the 2013 NZ National.

Respectively submitted:

John T. Neff, Sec-Treas. AFNZRBA

Dear All,

Just to let you all know that our club has lost another of our faithful, longtime breeders.

Teddy Dixon of Bloomfield, Iowa, was a true gentleman in our breed. He suffered a stroke in mid May and did not survive.

I know he was a farmer (known for his honey) and had been active with the 4-H. Lisa said he showed the Mo. State fair since 1969.

He was a longtime member and will be missed and we send condolences to his family.

Please include his wife Jo and family in your prayers.

If you missed the 41st Annual National New Zealand Show, you really missed a good time. The Keystone State New Zealand RBA did a beautiful job putting on a show. This was their first show they put on and it looked like it was veterans putting on a show. Pa. also had a very nice banquet.

I would like to congratulate all the winners. They are printed elsewhere in this Times. Isn't it amazing Robert Crawford can sell winning rabbits to everybody all over the country and still come back and beat them. There were really nice rabbits rabbits and they were deep in each class. The judges had their work cut out for them and they did a nice job.

About the only downfall of the convention was not many Youth were entered. This is the future of our club. Now is the time of year to promote the Breed in the Lead. Selling youth in 4-H breeding stock and market pens is a good way to start. Showing at local shows also helps get the numbers up. The more people seeing New Zealands will remember the breed.

It was nice seeing everyone at the convention and let's keep all our ailing friends in our prayers.

Greetings from the ever changing midwest. While many of you have way more water than you want, we could use a good rain. However, since it finally warmed up somewhat we are able to start getting some planting done.

I want to congratulate everyone that made the trip to the Nationals. Also, my best thoughts to all of the winners. The distance and family obligations on Easter weekend made it impossible for me to come. I am looking forward to Indiana this fall and at present am looking toward Dallas next spring.

I went to two shows in April. At the first one there were only about 25 New Zealands in the open. However there were four youth (all girls) that together had about twenty. That was good to see. Then the second show the following weekend had sixty-seven in the open and about a dozen in the youth. There were some really nice ones at that show. I did not do very well as mine were to young at that time. I'm looking forward to this weekend (May 14) and the June shows as my rabbits will be older and will compete better than in early April. I do have my boxes full of all colors for the fall shows though.

There is still a great demand for whites in this area. Several people are starting to raise commercial rabbits and are buying lots of does. That is why I didn't have any ready to show before this time. I also have a hard time keeping ahead of the demand for broken, both red and black.

Here is wishing everyone a good summer. Catch you down the road. .

Well our first ever Pa. Nat. is over and our whole crew can breathe easier. I want to thank everyone who attended and showed and helped us

make the show a big success.

A special thanks to everyone who helped set up and tear down. The judges deserve a big

great job as it was some of the finest judging you could ask for Josh, Wade, Rusty, and Bonnie

did themselves proud. The quality of the rabbits was excellent the New Zealand Breeders can be proud of themselves I was very pleased to see a lot of our local breeders participating its good for the breed. Dave Cardinal presented a very nice bid for 2013 for Wisc. so lets get ready to head to Wisc. in 2013. Lets not forget our elections coming up as we need dedicated people to keep this fine orginazition running strong. All the winners and placements should be on the web-site till this comes out so I wont go into detail. Lets get our rabbits ready for Indy as Al esterline is working very hard on this and lets not forget his party room.

The picking of BOB and BOS was done very smoothly and should be adopted for all Conv. and Nat. shows good job Lisa Jennings and Gene Rowbotham.

Iheard they had a really good National in Pa. I knew they would with the great bunch of people up there. I hated to miss it, especially all my good

friends that were there.

Congradulations to all the class winners in each variety open and youth. Hats off to Robert and Paul for BOB and BOS. Spring shows are in full swing here in the tri state one about every weekend somewhere.

Here in the southeast we've had some nasty weather. Tornadoes and heavy rains. Flooding everywhere. It will be the end of May or June before the farmers around here can get their seed in the ground.

Looking forward to seeing everybody this fall in Indy.

Hello from Northern Illinois,

I would like to apologize for not getting an article written for the last issue of the Times, as I forget it and when I remembered it was to late.

It is the first part of Feb. and it has been awful cold here and from the weather reports many other parts of the country also. I had some of my watering system freeze up, so had to put dishes in for some haven't had to do that in quite sometime.

April and the National will be here before we know it and the trip to PA, which for us will be a long one. Hopefully you have a winner sitting in a cage just waiting for the opportunity to shine.

I have talked to Al Esterline and sounds like he hard at work for the Convention in Indy. Hope everyone has their reservations made for there as there aren't many left.

I hope everyone had as good a time in MN as I did, didn't do much winning but enjoyed talking with friends new and old.

It was certainly a trip with myself, Max Reeser, LaVerne Ritzma, and Arnold Meyer, I better not forget our chauffeur, Sue! I am not sure that we could have gotten another thing in the trailer or the Suburban!

Starting to get some good litters now had some trouble earlier though, hoping for a good one. Better get this closed and get it to Dick. See you down the road,

Arnie

Director Report

by

Jean Harris, WA

Hi Club Members

The Ground Hog said spring is around the corner, I sure don't know what corner he was talking about. It really been a crazy winter. Shows are off and running in our area for the 2011 show season. We had our season opener in Couer d Alene, Idaho. We had about fifty New Zealands being shown with all varieties being represented. The whites prevailed in the A show with Wally Stickelmeyer winning BOB and BOS.

News is out that a new regional New Zealand club has been formed in California called West Coast New Zealand RBA. A good leader is at the helm, Manual Hidalgo is President. Hey maybe in the future we will be able to have a spring national on the west coast.

For me I will not be able to attend the Spring National in PA. After doing much research on airlines I find it impossible to be able to fly direct to the east coast from Seattle. I would have to change planes at least once, and that is not good for the new zealands, they seem to do ok when we fly direct. So will have to wait until fall to see everyone in Indianapolis. Flights aren't much better to there either. Probably will have to come up with a different plan for the rabbits.

To replace the spring nationals I am planning on going to the West Coast Classic in Reno, NV. This is a large show with several national specialty shows being held, as well as regular specialty shows and 3 open shows. Lots of opportunity to show your rabbits. The new WCNZRBA will be hosting two specialty shows. So that seems like a good challenge to go and support them.

I will miss seeing everyone this spring.

The Broken Pattern – A Lesson in Genetics

Submitted by: David A. Mangione

There are several genes responsible in determining the pattern of a rabbit's coat of fur. This article will attempt to present in layman terms the genetic stage which determines whether a rabbit will be a broken, Charlie or solid pattern.

Solid, Broken and Charlie Patterns

A solid New Zealand is the same color all over without the presence of white fur interspersed in the solid pattern.

Broken patterned New Zealands can be any recognized color of New Zealands. The colored portions on the rabbit occur in a spotted or blanket pattern with white coat color in between. In addition to a spotted or blanket body pattern, a broken patterned New Zealand should also have a balanced butterfly on its nose, solid colored ears and solid eye circles. The amount of color on the rabbit should not be less than 10% and not more than 50%. Refer to the ARBA Standard of Perfection for complete breed standards to better understand the various faults and disqualifications.

A Charlie is a genetically unique broken patterned rabbit. Charlies often have less than 10% color and are sparsely patterned. However, Charlies which have greater than 10% color can be shown.

Charlies are distinctly different genetically. True Charlies can only be produced from mating two broken pattern rabbits. If either of the parents are solids, the resulting broken offspring cannot be true Charlies. Charlies are unique genetically as they will only produce broken patterns. If a rabbit ever produces even one solid offspring, it is not a Charlie.

Charlie Genetics

The broken pattern gene, "En" is dominant over the solid pattern gene, "en". It takes only one broken pattern gene to produce a broken. A rabbit with two broken patterned genes is what we call a Charlie. Genetically speaking, a solid is en-en, a broken is En-en and a Charlie is En-En.

What Is The Probability Of Producing Brokens?

The following chart summarizes the odds of producing solids, brokens and charlies based upon the pattern of the parents.

Parent 1	Parent 2	Offspring
Solid	Solid	100% Solid 0% Broken 0% Charlie
Solid	Broken	50% Solid 50% Broken 0% Charlie
Solid	Charlie	0% Solid 100% Broken 0% Charlie
Broken	Broken	25% Solid 50% Broken 25% Charlie
Broken	Charlie	0% Solid 50% Broken 50% Charlie
Charlie	Charlie	0% Solid 0% Broken 100% Charlie

What Should My Breeding Program Look Like?

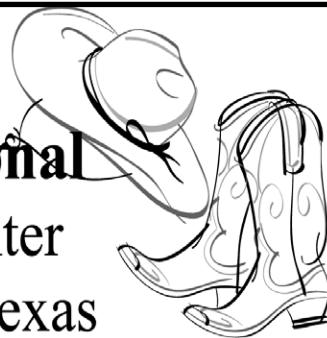

The most common matings will be solids to brokens, however breeding broken to broken for a couple of generations will produce a high percentage of showable broken pattern rabbits as well as Charlies. Using the aforementioned chart will provide a more organized approach to your breeding program. A superior Charlie can be a real asset to your breeding program. Using a Charlie can increase the number of broken offspring produced.

All three patterns (solid, broken and charlies) will play an important role when producing broken patterned rabbits. The key to success is keeping accurate records so as to maintain balance between the number of brokens and solids being produced in your breeding program. Good luck with producing your broken patterned New Zealands.

NEW ZEALAND RABBITS IN HAWAII

By Manuel Hidalgo

As part of her Christmas gift, I promised Linda a trip to Hawaii before she had to go in for knee replacement surgery on her second knee. We decided to visit the big island of Hawaii. It is bigger than the rest the islands put together. It is still growing due to the constant volcanic eruptions and lava flow. Hawaii is also the most diverse, geographically. Of the 36 echo systems that exist throughout the world 32 can be found on the big island. You can essentially go from a tropical palm fringed beach to a snow-capped mountain in little more than a half an hour drive.

We decided not to stay in a tourist hotel or condo since we wanted to experience a more authentic Hawaii. We ended up spending a very restful week at an apartment on an organic coffee farm in the Kona coffee belt.

Another reason for going to the big island was to be able to visit with our new friend Ernest Caravahlo and his family. We met Ernest through many emails and phone calls talking about New Zealand whites. He was trying to find a way to import some rabbits since he had not introduced any new blood into his herd in more than 20 years. Thanks to the help of Sandra Tsukiyama, who lives on Oahu, we were able to cut through all the red tape and quarantine requirements and then make the arrangements to air-ship them from Honolulu to Kona. After several months of working on it we were able to ship him 6 whites in October of 2010.

Ernest is a very interesting guy who has a wide variety of interests. He works as a cabinet maker/carpenter for the County of Hawaii. He has a 5 acre coffee farm and in addition also manages his mother's 6 acre coffee farm. He is very proud of the many different tropical and citrus fruit trees that he has on the place. Ernest is also an avid and widely known pig hunter. He has developed his own hybrid breed of pig dogs. As a young man Ernest was the two times golden gloves boxing champ of Hawaii.

One of his biggest passions is his small herd of New Zealand white rabbits. Ernest has been a dedicated New Zealand breeder for more than

30 years. He has to have the cleanest and most well organized rabbitry that I have ever seen. All the cages were full of rabbits with lots of babies. The cages and the rabbits themselves were spotless and showed a lot of vigor.

There is a lot of interest in rabbits in Hawaii. It is very difficult for people there to get rabbits - not only from the mainland but also from the other islands. They are trying to establish an ARBA chartered club on the big island. Ernest says that the last time they had a rabbit show there was about 20 years ago. While Ernest plans to sell some breeding stock most of his outlet has been selling dressed fryers to high- end Kona restaurants and hotels.

We had the good fortune of spending Super Bowl Sunday with Ernest, his wife Helen, daughter Jannie and cousin Robert and his wife. His cousin also raises rabbits. Most of the day was spent evaluating and judging rabbits. We went through the whole herd and looked at every rabbit, big and small. We also found time to watch the Packers win the super bowl. Helen served us a number of Hawaiian delicacies for lunch and we left with several bags of estate grown Kona coffee. On an earlier visit they had given us a big box of fruit from their farm that included bananas, avocados, macadamia nuts, oranges, other kinds of citrus and a few tropical fruits that we were not familiar with.

We had a very relaxing and enjoyable vacation. Our visit with the Caravalho's was special and one that we will always remember. We look forward to their visiting us soon in California.

Again, this experience is a perfect example of meeting and making good friends through rabbits.

From the Editor

Dick Gehr

It just doesn't seem possible that it is time for another issue of the Times! Guess Time just flies when you're having fun.....

Results from the National are in this issue, and I would like to say Congrats to everyone that showed, no matter where you may have placed. The camaraderie experienced at the shows, particularly the National shows, is what keeps the organization strong. Without the members, the club would not be as strong as it is, and the breed would certainly not continue to strengthen.

As good as the quality of New Zealand's is throughout the country, it amazes me how it still continues to improve year after year. Just when you think you have seen the "perfect" animal, another crosses the table that makes you step back and say WOW !!

The ad deadline for the Guidebook is up July 1st. Some of you may get this issue after that date. If you did not get an ad submitted for the Guidebook and would like to, give Rick Shipe a call or drop him an email and ask if he will still take one.....we will be putting the GB ads together in the immediate future, so he may allow for a late submission. Not promising anything, but it never hurts to ask.....or even beg !!!

Good Luck to all on the show tables, keep the nest boxes full, and let me know if you have any concerns regarding the Times.

Dick Gehr

Guidebook Ads now available..... (see page 40)

Take out an Ad in the upcoming AFNZRB Guidebook.

This could be the most excellent Guidebook to date, so be a part of it.

An Ad in the Guidebook offers great exposure for your name, rabbitry, and stock.

Let people know you are a breeder, exhibitor, or supporter of the New Zealand breed.

The Guidebook will be in circulation for an anticipated 5 years or more. Advertising for that length of time, at the prices made available is an outstanding bargain!

Ads are available in 3 sizes, with prices and sizes as follow:

Full page - \$ 125.00 - 7"w x 9"h

Half Page - \$ 75.00 - 7"w x 4 1/4" h

One-fourth page - \$ 50.00 - 3 1/4"w x 4 1/4"h
