President Report

Wow,

What a convention for the New Zealand breed, Robert and Peggy Crawford had Best In Show. They deserve it for years of hard

work and staying on top with the best New Zealands in the country.

Dean and Adam Benker won Best Opposite New Zealand with a Broken. We had a record Number of New Zealands in all varieties and classes, The Judges worked hard for great results.

Hope we can keep this trend rolling with excellent New Zealands and large numbers at all Conventions and National shows.

I am working on revising the committees. I think some committees need to be updated and tweaked. Anyone interesting in being on a committee or would like to be removed just let me know. I will be contacting members about helping on different committees in next couple of months.

In the next couple of months I will get more information to you about the ARBA National in Kansas. Larry Snaveley and company will be the Breed Chairperson and will have more information about the hotel and banquet.

Don't forget the Spring National in Texas 2012. It should be a great show, so plan on attending and give your support. We will be needing Bids for the 2014 Spring National.

Get together and put a bid in. Don't forget we need information, like hotels, Judges, and Location. See your guide book for rules. That is the only way the bids will be accepted. And all in writing to give your speech to the club officers.

Most every thing is done on the Internet. Did you know that we are on face book? I will ask our Editor if he can get a link from our web site to the face book. I found that different questions and ideas between each other can help communicate with related ideas and problems. It is a great way to get information out.

I would like to thank you, the New Zealand Breeders for selling some excellent stock to new and old exhibitors. In so many different breeds, breeders sell rabbits that are not worth the cost of feed to keep them alive. Our auction had some very nice outstanding New Zealands to auction off.

I went to Iowa to judge and a Very Nice outstanding New Zealand buck won best in Show in both shows. This exhibitor bought this rabbit from the convention. This shows that the New Zealand Breeders sell very good stock.

Don't forget we accept names for the outstanding member of the year. I really cant believe we don't have more names turned in for this award. If you put some one in and they didn't get the award that year, send the letter back in again. The only two cents I will put in is, make sure this person really deserves it and helps with the Federation and its members over the years.

The last time I was President we had very few guide lines and rules to go by in print. I had changed that by putting all this information into our guide book, for members to read and help guide them through the years. I had lots of knowledgeable members to get that together, but now it works. And now it is time for a new guide book with more information and updated materials and articles to guide each and every one of you. That will be out very soon.

So I will close for now. if anyone has question or concerns please let me know. I will seek them out the best I can. Happy Holidays and we'll see you all some time soon.

Dave

Let me start by saying it is an honor writing my first article for the New Zealand Times.

As Vice President of this fine organization it will be a pleasure working with our fine President Dave Cardinal and the rest of our very good directors.

We should all give Sue Borden and Dave Mangione a fine thank you. Without the dedication of these people we would not have an organization, as it takes more time and dedication than most people realize. We applaud all of your time, energy and hard work.

We had a great turn out at the Indy raffle table. The profits were as high as we have ever had in the past. Thank you Arnie and Sue Schmidt. Also to include everybody else that was involved to make it the success that it turned out to be.

Special thanks to Paul Grundtisch and Dave Mangione for the fine rabbits they donated to the raffle. The raffle was a huge success. Special thanks to everyone who consigned a rabbit and to all of the bidders. Thank you to Tony Fortney for doing a great job on the rabbit auction.

Congratulations to Robert and Peggy Crawford for a well deserved "BOB" and "Best In Show". What a great boost for all commercial breeders and especially our New Zealand breed.

Congratulations to Dean and Adam Benker for BOS breed, a very nice 6-8 Doe.

Congratulations to all of the winners and to all of you for your hard work in making the New Zealands a better breed.

Thank you to all that helped write, and those who helped carry rabbits for your fellow breeders to help things moving right along.

Al Esterline, the breed chairman did an outstanding job for the show. Thank you for all of your hard work in making the show such a great success.

The party room was a lot of fun and also had some great entertainment. (You had to be there).

I hope the roses are still blooming!

Thank you,

Bruce

Secretary-Treasurer Report by John Neff

Wow, where do I begin? It was a great Convention and it was topped off by Robert & Peggy Crawford's "BIG" BIS Win.... Congrats again to Bob & Peggy...

I have a long list of folks that I want to thank for all of their hard work and generosity for the Federation.

First & foremost, Al Esterline. Al did a great deal of work and it started as soon as Sue asked him to be our Breed Chairman. The Marten House was a very nice affordable Headquarters with good meals. The Banquet, also held @ the Headquarters was well attended with plenty of good food. When I did check out, the best surprise was the total due, about \$400 less than last year in MN.

The NZ area was well taken care of and Al made sure he had everything covered and check out was a breeze. Thank-you Al, you did a great job...

Arnie & Sue Schmidt did a great job on our Booth. They also worked very hard every day in the Booth. This sure makes it easier on Julie & I. To ALL of the other members who spent time in the booth & donated items to the raffle, thank-you. The profit from the Raffle was \$653.00

Tony Fortney did a wonderful job with the Auction. A complete list of the auction is printed elsewhere in this issue of the Times. Thank-you Tony & all of the breeders who donated animals...Total raised at the Auction \$3180.00...

Paul Grundtisch & Dave Mangione thank-you for donating the great Raffle Rabbits. This type of generosity have become very important to the Federation. Total amount raised from this Raffle was \$1650.00. Thank-you again Paul & Dave...

To our Breed Secretary, Janellen Swartz and all of the Writers, thank-you. This year's paperwork was wonderful, it sure makes it easy when the forms are complete and accurate. Thanks also to all of the breeders/members who carried rabbits. With this many rabbits to be judged, it took a great team effort & that is what we got.

Lastly, thank-you to the judges, again with these numbers they judged nearly non-stop all day long.

If I forgot anyone, please forgive me, but so many people stepped up and for that Julie & I are grateful, thank-you...

Please find the minutes for both the board & general meeting elsewhere in this issue of the Times. Both meetings went well and the general meeting was well attended.

At the General Meeting, the new officers were sworn in. Thank-you, to all of the outgoing officers for their

hard work, and welcome to all of the new ones. We look forward to working with you all. A special thank-you to Sue Borden, as you all know Sue has given so much to the Federation, and I am sure she will continue to do so. The Federation is in a better place thanks to Sue's leadership...

We did award a Scholarship to Mallory Munster, Congrats Mallory. Please remember all of our Scholarship info is now on the website. Our fund is very solid and we look forward to more Federation Youth members applying for future consideration.

We also inducted two new members to our Hall of Fame, Al Esterline and Pleaz & Jane Kirby. Congratulations to these deserving members. Our Great Friend, Charlie Crabtree received the "Outstanding Member Award". It was with great pleasure I gave Charlie his plaque at the General Meeting. Congrats Charlie, this was a well deserved award...

Next up is the National in Texas. Watch for details in both the Times and on the website. We are looking forward to this trip and another Great National put on by the Texas NZ Club.

With the 2012 ARBA Convention going to Wichita, please let Larry Snaveley or Lisa Jennings know how you can help. Arnie & Sue Schmidt are again going to take care of the booth, so please get with them also. As was proved in Indy, we work together and it will be another great Convention...

New President David Cardinal will be working on some of the Committee's. If there is something that you would like to help with, please let him know.

I want to thank the membership for the overwhelming support given to Julie & I. It means a lot and we will continue to do all we can for the Federation...

Well, I think it is time to bring this to a close. Julie & I would like to wish you all and your families the very best during the upcoming Holiday Season & a Happy New Year.

THE BREED IN THE LEAD.

Wow, the New Zealand Rabbit won the ARBA CONVENTION. The past trend has been the fancy breeds winning the show. I may be wrong but the last time I remember the New Zealand winning the big show was in 2000 at Columbus Ohio. Bill Gardhouse won the open and Stephen Cooper winning the youth for a grand slam.

Congratulations to Robert Crawford. I do not know anyone more deserving and dedicated to win the show. Bob has been working for years to improve the breed and undoubtedly the best New Zealand breeder in the world. Probably all the White New Zealands at the show had some of his stock in the background. He sells everybody nice New Zealands and comes back and whips everyone year after year. This is not luck because he dominates the classes.

I also want to congratulate the rest of the class winners and everyone that showed there. The New Zealands were well represented with very nice rabbits.

I hope everyone from the Eastern part of the United States survived the the nasty weather and had minimal damage. I talked to the Pa. boys and they were without power for three days.

Kathy and I would like to wish everyone Happy Holidays.

Another successful ARBA Convention is in the books I hope everyone made it home without any mishaps and are now in the process of getting things sorted out to be ready for Texas.. Congratulations and thanks go to Bob Crawford. Congratulations on his big win and thanks for proving once again that New Zealands are truly the "Breed in the Lead". Also congratulations to Dean and Adam Benker for the Best Opposite Sex rabbit. All the breeders deserve a pat on the back for the quality of animals that were put on the tables. As far as I could determine the depth in all classes was remarkable.

Many thanks go to Arnie and Sue for the beautiful booth The racing bunny was great. Al not only ran a great show but also provided the necessary unwinding place (although at times maybe the winding up place) for all of us. Thanks Al and family. To all of the writers and everyone else who made this a great experience, THANK YOU!

Now it is time to get back to the barn and prepare for winter in hopes we will be ready for the winter and spring shows. I am pretty well prepared and look forward to kind of a laid back time. I am hoping that our winter will not be as trying as our summer was.

Until next time,

Glad to be back in as a Director of this great organization. Hate to see when we don't have enough people to cover all the Director's spots in an election, maybe it is time to lower our number of Directors to maybe 8 or 9. Something to think about.

Just came back from a great convention in Indianapolis. The New Zealand breed is once again back at the top with BIS!!! Congratulations to Bob & Peggy Crawford for this great win!!! It is most deserving for them to achieve this win and I must say long overdue. Many of us had tears of joy after the announcement and I am sure old Harry and Fib were happy too.

Congratulations to all the winners from open and youth cause we had a fine showing of New Zealand's in Indy. Results are found in this issue. Our new guidebook will be out before Christmas and I hope everyone will be pleased with this edition, I know I am. A big thanks to Dick Gehr for his outstanding work on the guidebook and the Times.

In the spring all eyes will be on Texas for the National New Zealand show, and I am sure they will put on a good one. Next fall will be going to Wichita, KS for ARBA convention and I am delighted to announce that the 2013 ARBA convention will be coming to Harrisburg, PA!!! First time in PA since 1976 and we will put on great convention and for all New Zealand breeders. President Cardinal has appointed Bruce Himmelberger and myself as Co-Breed Chairs for Harrisburg convention and we will start to work on getting things lined up.

Happy Holidays to everyone!!!

What a great convention. 23,000 rabbits with over 900 NZ's shown in open and youth. Some real nice rabbits in each class from all 4 varieties. Congrats to all winners.

Thanks to Arnie and Sue for decorating the booth, all the people who brought items for the raffle tables, Paul and Dave for the raffle rabbits, everybody who donated a rabbit for the auction, all the women who wrote for the judges, Al for setting up the hotel and banquet, and all the members who helped out in one way or another during the show. This is why our club is the GREATEST. The biggest highlights of the convention for me was seeing Pleaz & Jane Kirby inducted into the Hall of Fame & Robert & Peggy Crawford winning Best in Show and being around all my good friends. We are like one big family.

*H*ello from TEXAS! We are looking forward to seeing you all in Forth Worth at the nationals. The theme is , "6 Breeds over Texas". Please make your reservations soon. Dick can you please put the flyer in this issue of the times? Thanks.

Everyone, if you still want to contribute a special or would like to run an ad in the Nationals show catalog just call me - 281-785-0834 or send it to our email, basgilsrabbity@yahoo.com . Full page ads are \$65, and so on down to business card size. Thank you all very much that have contributed so far.

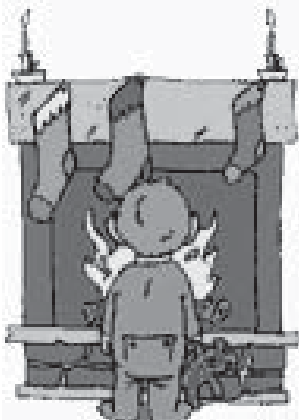

We had a good time at the convention seeing every one and getting the chance to visit with our friends. Congradulations again to Bob & Peggy Crawford for them winning with their senior buck and the New Zealands took another best in show! Also the Benkers for their BOS with their doe. With all of us working to get better, we shouldn't have such a long dry spell unitl the next one for NZ's.

The weather is always a challenge for us as breeders. Whether is is snow and cold that hit the PA crowd just as they left for convention or, the tremendous heat we had in the south. So many people lost rabbits down here. We are getting several calls a day from kids that want good quality breeding stock or show rabbits. We showed in Beau Bridge, Louisiana this past weekend, 11/19. I talked to a good friend of ours, Wallice Fontenot. He came home from work one day and had lost 22 rabbits that day. Another breeder lost 8 in one day. We lost some also, but not near that many. We all do our best to get by.

Happy Thanksgiving and a Merry Christmas to each and everyone of you and your family.

Hello from Northern Illinois, I hope this finds everyone in good health and also that everyone made it home from Indy safe and sound.

First of all I would like to thank Al Esterline for the wonderful job he did at getting everything in order. He also did a good job in setting up the motel and banquet.

If you didn't make it to Indy you missed a good time and a well run show.

I would like to thank my wife Sue and her daughter, Kelly, for all the work they did on decorating the booth by making the car. Even though we did not win we had many compliments on the booth. Just a FYI David Mills and his wife were going to take the car home and use it for the 4-H this summer, so at least it was not going to go to waste. I would like to thank everyone who spent time in the booth, either selling tickets, promoting the breed, signing up new members, or selling merchandise, without the volunteers we could not do all those things.

I would like congratulate all the winners in the open and youth. The judges were impressed with the depth of the classes. A special congratulations to Robert & Peggy Crawford on winning BOB and Best of Group and especially BEST IN SHOW. Before they went up for best of group Robert was making a comment that always a bridesmaid never the bride, well he can't say that any more!

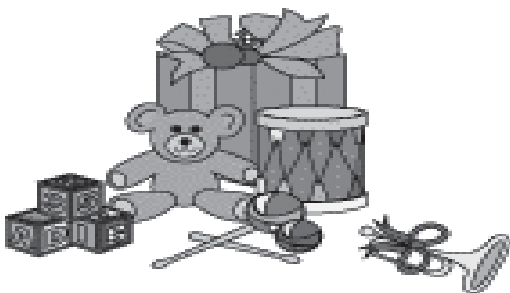

I would like to thank Sue Borden for all the time she has spent working in the best interest of the breed and the club. The club has come a long ways during her tenure. Thanks to our new president David Cardinal for wanting to step into and fill some big shoes. Anyone that thinks that the office is a cake walk is sadly mistaken.

Finally I would like to congratulate Mallory Munster on being the recipient of the the 2011 scholarship award. Way to go Mallory and good luck in college!

That's about in for now hope everyone has those nest boxes full for Texas.

Your Director,

Arnie Schmidt

Convention in Indy was such a great time. From socializing with great friends at "The Rabbit Hutch", to a great banquet, to Robert and Peggy Crawford's Best In Show with their New Zealand White Senior Buck. We were all so happy that they received that cherished award.

With another convention behind us, it is time now to prepare for the 2012 New Zealand Nationals in Fort Worth, Texas on April 20-22. It is a great opportunity for some breeders to compete at a nationals in more than one breed, one of the others being Californians. Many of us exhibit both New Zealands and Californians. Several members have contacted Pete Basgil to donate sanctions and purchase advertisements in the show catalog. If you have not done so already, please do so ASAP. A flyer is available on the AFNZRBA website that briefs the information that you will need. Please make sure and mention that you are with the New Zealand club when making your reservations at the Crowne Plaza South, the headquarters hotel.

If you have any questions concerning the nationals, contact me via my e-mail, mbeprise@yahoo.com, or by my home phone 830-232-6344.

Can't wait to see you in April

Standards Committee: Al Esterline gave a short report on the Blues. Committee Chair Cardinal reported that our next step would be to get General Membership approval at the General Meeting.

Times/Website: Times Editor Dick Gehr asked if we would approve the change of the printer we currently use for the Times. The cost would be slightly higher, but this change is just about the Quality of our newsletter. A motion to accept this change was made by Wendall Tisher, 2nd by Lisa Jennings – Motion passed.

David Cardinal asked if we could put a FACEBOOK link on our website since he did start the NZ Group

on FACEBOOK. Sec. Neff said that he would ask webmaster Dick Gehr about this.

Texas National: Mark Manglberger gave a brief report on the 2012 NZ National. Please watch the Times and website for future information & details.

Illinois NZ National: Arnie Schmidt reported that the Illinois Group would still like to submit a bid for the 2014 NZ National. This was tabled until the Spring National when Arnie can come up with more information that is needed.

Sec. Neff reported about a recent phone call that he received about M70 New Zealand's from a group of breeders in KY. They would like support of the Federation, but the BOD agreed until the proper steps are taken with the ARBA that we had no interest in supporting this type of NZ's.

Sec. Neff brought up the question of the judging sheets used at the Conventions? This will be tabled until after the Convention results are received to determine if the usage of these sheets is needed.

The judging order for the NZ Judging was discussed & agreed upon.

Members and Board of the AFNZRBA,
First let me apologize for the lateness of this letter. College, a job, three fairs and numerous activities have kept me so busy that time just seems to slip away. With that being said...

I would like to formally thank you for choosing me as your 2010 Scholarship recipient. That was a huge honor for me and I cannot express my gratitude enough! The scholarship has helped in funding my education here at the University of Nevada, Reno. I am currently double majoring in Agricultural

science/marketing as well as pre-veterinary studies. I hope to continue my education further by attending veterinary school with an emphasis on food animals and rabbits. In preparation for vet school I am currently working at the University farm with the cattle. Apart from school and work I have been trying to maintain my well rounded nature. I'm an active member of the schools pre-vet club and wildlife conservation club. I am in the process of joining the Reno 4-H program as a project leader for rabbits and beef cattle and just got back from attending the National FFA convention in Indianapolis where I received my American degree. I also am currently managing a promotional company I designed to promote young up and coming artists, plus managing my two cats that I recently adopted from the Nevada Humane Society.

New Zealand rabbits were the second breed to enter my barn. At 8 years old I started breeding Mini Rex rabbits, but swiftly took a greater liking to my New Zealand's. Apart from raising all varieties of New Zealand's and a few varieties of Mini Rex I still managed to find time to raise dairy cattle and market beef for the 8 years in the 4-H and FFA programs.

Receiving this scholarship has really made me feel as though my years of hard work breeding New Zealand rabbits has paid off. I started raising New Zealand rabbits when I was 11 years old and after much hard work and many best in shows later, here I am nearly 20 years old and still breeding. One of my New Zealands won Best Meat Rabbit at our 4-H fair this year and I won Reserve in Show at our county fair was well. I won senior showmanship for rabbits, master showmanship in small animal as well as Supreme Exhibitor in small animals at our county fair also. I was told that I blew the judges away with my knowledge of my rabbits and my display on "How to get a new breed or variety admitted to ARBA".

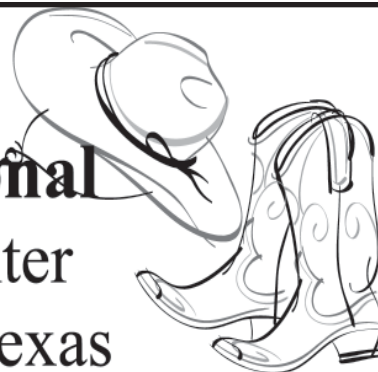

On a final note I'd just like to say THANK YOU again and that I plan on continuing to breed New Zealand's far into the future. And I'm excited to see our breed grow and thrive. I'm hoping to attend one of the conventions next year if my school and work schedule will allow so that I can see everyone again! Best wishes and good luck to everyone at this years ARBA convention!!!!

NEW ZEALAND RED COLOR

By
Manuel Hidalgo

The motivation for writing an article on New Zealand Red color goes back to the debates and arguments that took place during the revision of the New Zealand Standard for the **2011-2015 Standard of Perfection**. These discussions were not only heated within the New Zealand club but, at times, also became testy with the ARBA Standards Committee.

Please let me preface the article by saying that my views on red color are based on more than 25 intermittent years of raising and showing reds, going back to 1974. I also had the privilege of knowing and showing against two of the best red breeders ever in John Jennings and Ron Meyer. I not only competed against these guys but also spent countless hours talking to them about reds and red color. Many of you don't remember, but John Jennings, back then, was to New Zealand Reds what Robert Crawford is today to New Zealand Whites.

My education on red color was greatly influenced by Al Meier, a devoted red breeder, who happened to be the long-standing chair of the ARBA Standards Committee. At some of the conventions, long ago, he spent hours talking to me about red color. Al would take me from coop to coop explaining which rabbit had good red color and which did not- and why.

The proper color for a New Zealand Red is sorrel- like you would find on a good sorrel horse. Sorrel can be defined as either a light - reddish brown or a dark bright orangey red.

A clean even color over the entire body is more important than the actual shade of red. The rabbit should be free of ticking (especially ear lacing), smut, scattered white hairs or a frosty brassiness around the haunches. The color should extend down the hair shaft as deep as possible.

I have heard many red breeders - and judges as well- say that they prefer the darker reds. It is almost a certain guarantee, if you look closely, that most of these darker reds are loaded with smut. Backstroking the fur on the forehead or crimping the fur above the tail with one's fingers will reveal a preponderance of smut or black hairs. Red is a color that is susceptible to brindling. This is true for dogs and cattle as well as rabbits.

Scattered white hairs in the coat are a genetic fault. This could be a DQ if they are excessive, in the judge's

opinion. These reds should be culled from the herd. Small white spots, however, are usually the result of a nest box injury or fighting. This is why reds should be given their own cage once they are weaned.

The faults and disqualifications for red color are described in the **Standard of Perfection** and need not be repeated here.

It has always been desirable to have the belly color on reds be the same or approximately the same as the top color. There was a lot of complaining by some breeders- old and new- when we tried to edit and rewrite the wording on belly color for the new standard. There is a very strong correlation between good belly color and good top color on reds. Even though reds are a wide band agouti it has always been the desire of breeders that they appear to look like a self or solid rabbit. This is also true for other breeds that have a red variety like Rex and Satins.

In the **1991-1995 New Zealand Guidebook** there is a picture of a John Jennings buck showing the belly color being the same as the top color. For your reference, the picture is reprinted in the new guidebook. I had the good fortune of actually seeing and handling this rabbit when I visited Jennings at his home in Mt Aukum in the California gold rush country.

At the 2011 ARBA Convention in Indianapolis, one of the judges faulted many of the reds for having poor belly color. A lot of these reds also lacked good top color. This could be the result of the current practice, by some, of breeding whites into the reds to improve type and size. Not showing good color could have been because of the lighting, too, since reds do not show off their color well under fluorescent or LED lights.

I can understand why some red breeders mix the colors since there is a big gap in quality when you compare the reds to the whites, blacks and broken. To be honest, we have on rare occasion and in a limited fashion crossed the colors to try and improve the type on the reds. The overwhelming majority of our reds that have won at the big shows have no white in the background yet some of the winners did come from a mixed heritage.

If one is going to cross the colors it is imperative to start with the very best whites and very best reds (in both type and color). Making crosses with less than the best will put the herd in a downward spiral. Save the best agoutis (not the steels!), or even better the rare copper since they have a stronger rufus factor, and breed them back to your best reds. In three generations or sooner you should get the good color back- that is if you had good red color to start with.

Red is a difficult color to fix and one generally sees different shades of red in the same litter. It often seems that the rabbit with the best color is not the one with the best type. It is critical to keep some of these good colored reds for the breeding program.

A New Zealand Red with very good type and fair or poor color should not go very far on the show table since color is worth 15 points. Because there are so many points assigned to color, I feel that both judges and breeders need to take a stricter interpretation of the standard when evaluating the color on red New Zealands.

Over all though there is the tendency for reds to darken overtime and over the generations. This means that if breeders are selecting the correct rabbits that the red color will improve over time.

In conclusion, the biggest problem facing reds today- and there are many- is not the type or the color but the lack of breeders. We need new red breeders in a big way. Reds are on the borderline of becoming a heritage variety. This would be a shame since the reds were the first and for many years the only New Zealands. At one time they were the most popular rabbit in America. The need for more red breeders is the main reason that we got back into them after a 10- year absence.

A red with excellent type, color, fur and condition, seen in natural light, is a beautiful rabbit to behold. It is our goal, some would say it is our folly, to produce reds that can compete on an equal footing with the other New Zealand varieties. We hope that there are some “new” New Zealand Red breeders out there who are willing to join the rest of us in this endeavor.

MUCOID ENTERITIS

by Dr. Wendy Feaga

The following is a reprint of an article received by Dr. Wendy Feaga, with her permission. Wendy is a member of the AFNZRB.

WendyF1980@verizon.com

ARBA Rabbit & Cavy Health Committee

I am seeing an unusual number of young rabbits dying with a jelly diarrhea. In some cases I am losing adults and nursing does. What is going on?

A number of rabbitries are reporting losses of 4-8 week old rabbits, some with no signs of illness, some with just a hint of diarrhea, but many with full blown mucoid enteritis with rapid weight loss (wasting), diarrhea and jelly stools. You may be lucky to lose one or two in the litter, or, the entire litter may die over a period of a week. Generally the adult rabbits are unaffected, but this time we are seeing some adults dying especially nursing does.

The first reports of unusual deaths due to diarrhea surfaced after the 2008 ARBA Convention in Michigan. One exhibitor thought that the floor boards were to blame, but I saw convention rabbits on risers which came down with the jelly diarrhea at the end of the convention or very soon afterwards. So there was not a good correlation between the ARBA boards and disease. Often there are complaints of illness after the ARBA convention – the convention rabbits are exposed to other rabbits, new water supplies and general stress, so illness is expected.

It appears we are seeing a new infectious agent to which the rabbits have never been exposed, and this is fairly wide spread. We are seeing deaths in adult rabbits, sometimes losing as many as half the adults, an age generally resistant to diarrhea, or at least an age which usually recovers totally in a few days of pulling them off pellets and just feeding hay.

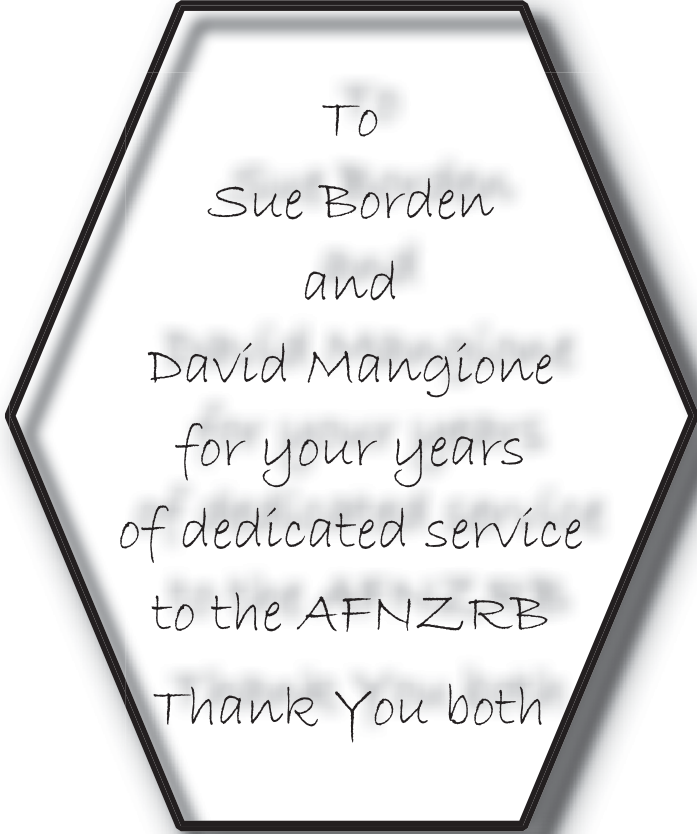

In the 4-8 week olds, pretty much all that show signs of illness will die regardless of what you try. Rabbits over 3 months of age are more likely to survive. I have tried various medications on the babies with little success. One that survived was given just hay and water and no medications. Subcutaneous fluids are helpful in the older rabbits, but as I said before, little appears to save the 4-8 week olds.

Fecal exams may show coccidiosis, but treatment for coccidiosis is unsuccessful leading me to believe that there is an additional disease and not simply coccidiosis. Often I have seen clostridia in fecal samples of rabbits with diarrhea, but have not seen unusual numbers of this normal bacteria in these youngsters.

High protein feeds will aggravate the problem and should be avoided when the rabbitry is experiencing these losses. Although feeding hay is no guarantee of avoiding this current strain of mucoid enteritis, it remains the best recommendation to lessen your losses. Be sure to give fresh hay each day to nest box babies to insure their first meal is hay to establish the correct pH and microbes in their GI tract. In an out-break, I recommend giving fresh hay twice a day to does with litters over 3 weeks of age. Instead of full feeding these does and litters, feed pellets twice a day and limit the pellets so they are cleaning up each feeding in a couple of hours.

It's important to provide good sanitation by removing soiled bedding and cleaning the cage floors with a wire brush to remove visible manure, feeding hay on a regular basis, avoid over-crowding, and providing water in a closed water system (impossible in winter when freezing water forces us to use bowls). Before moving a new rabbit into a new cage, especially doe and litter, be sure to thoroughly clean and disinfect that cage and equipment. But the bottom line is that the rabbits need to develop and immunity to what appears to be a new infectious agent.

My hope is as this disease goes through a rabbitry that the stock which are exposed and survive will have immunity so that eventually this disease will run its course in a year. Also the normal evolution of an infectious disease is to become less virulent over time because when it is this virulent it dies with its host. A successful organism does not kill its host so it can continue to spread through populations.
