

## Etiquette for online classes

1. Please feel free to use a photo of a cartoon character as your child's avatar, if you do not wish to display their face during our online classes.
2. If your child is camera shy please log in as normal and once you have joined the classes, you can then block their webcam, please show them how to do this.
3. Please create an online alias name to use throughout the programs.
4. Please have your child **sit in an open - quiet place where your child can take part in classes.** (example...not on their bed)
5. Please make sure that **your child is suitably dress.** (example not wearing any revealing clothing example shorts etc)
6. Students/Learners are not allowed to use their phone or any other device while attending our classes due to distractions.
7. Students/Learners are not allowed to use their phone or any other device while attending our classes to capture a class session or of other students in the online classes.
8. Students/Learners should not send chat messages to any other learner during the class if the settings were not implemented.
