

# Registration Reimbursement Coverage

---

*Offered by Simple Race Registration*

Life happens, and Registration Reimbursement Coverage helps protect you from unexpected events. With our program you can request a refund of your registration fee, if you (or the relay team you're a part of) are unable to participate due to specific covered reasons.

**SPECIFIC covered reasons include:**

- Personal injury or unforeseen illness
- Family member injury or illness
- Involuntary job loss
- Loss of life
- Covered travel delays
- Pregnancy
- Childbirth or adoption
- Family member's childbirth
- Active military duty or deployment
- Permanent job relocation

---

**Note:** Refunds are available if you did not participate in the event due to a covered reason. The covered reason must occur after you registered for the event and, for refund requests due to illness, injury, or pregnancy, you need to submit certification from a qualified medical practitioner.

Additional purchase options selected during the registration process (such as apparel, meal tickets, donations, etc.) are not covered. Claims with supporting documentation must be submitted to [info@simpleracereg.com](mailto:info@simpleracereg.com) within 3 days of the completion of the event.
