MESSAGE

LOVE

In this week's Gospel we hear Jesus make the famous statement: *"You shall love the Lord, your God, with all your heart, with all your soul, and with all your mind."* And: *"You shall love your neighbor as yourself."*

But what is LOVE anyway?

I did a little research and found this response about what the common person thinks love is...

- **A Feeling of Home** - Most people describe love as a sense of emotional security and the ability to feel completely yourself without being judged.
- **Selfless Care** - Love is when someone else's happiness and well-being become just as important as your own and all the little sacrifices it takes each day to make that happen.
- **An Intentional Choice** - Longterm love is a daily decision. It means choosing to stay, communicate and work through daily conflicts even after the initial romance fades.
- **Unspoken Reliability** - That a friend or family member will always have your back and will show up for you during life's toughest moments.
- **Shared Partnership** - The common view of love emphasizes teamwork: about building a life together, sharing responsibilities, celebrating wins and navigating defeats.

In this week's homily we'll explore how this all relates to our relationship with God...!

May God bless you all !

Fr Rob

What A Beautiful Parish We Have !

I travel around the Diocese for various functions and have visited many of the Parishes - I was just thinking that there isn't a more beautiful Parish facility than ours in the Diocese! Of course we have our beautiful natural setting but also to think of all the landscaping work done on our side garden and how the whole view is opened up ! Plus our sparkling newly painted white church ! Plus our now resealed parking lot with visible and extra handicap spots ! I know this was made possible by a charitable gift due to these intentions but it also because of so many people who love St Anthony's and give so much of their time and energy to the church! Thanks be to God! Fr Rob
