MESSAGE

VISION

Since we have vision, we believe we can see. But perhaps we don't realize how blind we really are. Do we really realize how much of the world around us we are not seeing? We only focus on what we can see and we tend to believe that is all there is. But how much more is there around us to be seen; to be understood; to be realized?

The blind man in today's Gospel was given the gift of sight. The world for him became a whole new world. A dear friend may be at the risk of losing their sight but when that is averted, we realize how much it matters to be able to see.

The gift of seeing should not be taken for granted but should be appreciated for all that it is. If we have an open heart and an open mind and the gift of God's grace, we can explore more and more the world around us. We can see more of God's creation in all of its detail and appreciate more of the fine beauty that God reveals us - as he reveals it to us every day. We must never take for granted the gift of sight, but always be fully attentive, fully aware and fully appreciative of God's beauty as it is revealed to us in the world and in others.

May God bless you all!

Fr Rob

PLEASE SUPPORT OUR LENTEN ACTIVITIES

• **Lenten Service** - this Wednesday at 6:30pm St Anthony's will be hosting the community Lenten Service. Eight local churches are collaborating in these Lenten Services which manifest Christian Unity. We are fortunate to have again some fabulous music featuring the Lord's Land choir, Lauren Elio and Sally Wells and John Redding. These are always great events and well attended - we also have a lovely reception following.

• **Friday Stations of the Cross** - every Friday we have Stations at 5:30pm followed by Soup and Salad in the Rectory. This is a lovely way to give thanks to Our Lord who gave all for us! This is a chanted version of the Stations and meditation on the Gospel is also offered. Please come join us!
