MESSAGE

GOOD SHEPHERD

For the sheep to be able to hear and follow the voice of their Shepherd, there must be something that fits. They do not follow the voice of a stranger because it does not fit: something is out of place; something is discordant.

The sheep follow the voice of the Shepherd because it fits. They know this is the voice of someone who is there to protect them, to lead them, to guide them. It is the voice of someone who cares about them, who is going to look after them.

The sheep can sense that the voice of the stranger, of the thief, or the bandit is not the right voice. It's not the one that fits.

It's not the one that is going to look after them to guide them and to help them get to where they need to go.

Hopefully, you we hear the voice of God in our hearts and it is a voice that fits: a voice that can console us, can help us, and can guide us. Hopefully, we know the voice of the Spirit when it is speaking to us.

And that we know how to stay away from the voice of the thief or the tempter or the evil one who wants to get us astray and lead us into harm.

May God bless you all!

Fr Rob

Second Collection - The Catholic Home Missions Appeal

The Catholic Home Missions Appeal supports dioceses in the United States that face fragile financial situations, vast distances, or rugged terrain that significantly impacts their ability to offer the most basic pastoral programs to the faithful. Today nearly 40 percent of Dioceses in the United States and its territories cannot fund the essential pastoral work their communities need. Your support helps them meet these Faith formation needs. Please be generous. Santa Rosa Diocese is one of these missionary dioceses.

"I came so that they might have life and have it more abundantly."
