## MESSAGE

### SECOND CHANCES

What does it mean to have a resurrected body?  
What did it mean for Jesus to receive his resurrected body?

After his body had been so badly broken, disfigured and mutilated what new life did he receive?

It was certainly a glorious new existence - a new life to be experienced in all its splendor! What about us receiving a resurrected life or at least a new existence or a second chance?

A new beginning or second chance is in itself a sort of resurrection. Perhaps in our life we've been gifted a second chance and new lease on life or a break that opens a way forward for us.

Jesus gave us new life in him. We also have the occasion to receive this new life by confessing our sins and doing our own personal spiritual hygiene. It's a way of cleansing our soul and making it all new!

Let us give thanks for the second chance Jesus gives us and the new life we can have in him!  
May God bless you all this Easter !

Fr Rob
