## MESSAGE

### THE WAY

*Jesus is the Way, the Truth and the Life.* It is easy for me to have the visual of a path spread out before us as reflecting the way that Jesus wants us to walk and to live our life.

If this is the true path, it is the path that Jesus has traced before us. As long as we walk on this path, we remain in the truth. But if we get off the path we lose sight of our goal. We deviate, we get lost. We are no longer on the path and we are no longer in the truth. As long as we remain on the path, we remain in the truth. And walking in this truth gives us life. This is how Jesus is the Way and the Truth and the Life. He is the way as we walk on his path we remain in the truth, and as we remain in the truth, we have life and life in its fullest.

The three are all connected the Way the Truth, the Life. Let us be thankful that we have such a great God and Savior in Jesus our Lord. He not only showed us the way, but he is the way. And living and breathing and giving our life through him, we have the fullness of our faith.

May God bless you all!  
Fr Rob
